LONG & McKINNEY

The real truth may never be known, but it is not a far cry to the theory that Harry Orchard, the man with the blood-lust as a heritage, killed Steunenberg with the premeditated intention of making the Federation of Miners come through with a large sum of money under threat to implicate its officers. Witness his taking money at all times from the Pinkerton people before there was any particular violence, and witness his cold-blooded turn of mind, coupled with a mania for "easy money." No one with any sense of the average believes that Orchard is telling the truth, and the most plausible theory is that he killed Steunenberg with avarice as his real motive and that he calculated to blackmail Federation men after the murder.

A year ago some of our big statesmen were for the ship subsidy bill, and for no revision of the tariff. Now that they begin to see that the people will not stand for further robbery these same statesmen are hedging on both of these abominable features of legislation. Like the prince with his morganatic wife, they are ready to throw over their "ideals" in order to save their patrimony—which to them is of life.

"The Blood is The Life."
 Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are affected, and many an evil deed or impure thought is directly traced to the impurity of the blood. You impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It purifies and enriches the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the name being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

Hillsboro Has to How to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this party, given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:
 G. S. Cooper, farmer, living three miles northeast of Salem, Ore., on R. F. D. No. 7, says: "I just as emphatically recommend Doan's Kidney Pills today as I did some three years ago. At that time I procured the remedy at a drugstore and used it with the result that the back-ache was banished and the other annoyances caused by a derangement of the kidneys disappeared. The troubles started from too heavy lifting, resulting in my back being strained and ever after there was a dull aching over my kidneys and through the loins. I got prompt relief from Doan's Kidney Pills. I also know of some of my neighbors who have used your remedy and found it most reliable."

For sale by all dealers. Price 50 cents. Foster-McIlhenny Co., Buffalo, New York, sole agents for the United States. Remember the name, Doan's, and take no other.
