"What's the use?" The Oregon legislature passed a law forcing the railways in Oregon, where there are distances of magnificence, and but one tenth of the entire population of New York City in Oregon's boundaries, to carry passengers at three cents per mile. In New York, where there is travel galore of the passenger nature, Gov. Hughes has vetoed a two cent passenger law. The big papers, and in Oregon, too, praise the governor for not wanting to wreck the railways in New York. Great Scott! Think of New York, and then think of Oregon, with its stretches of waste. Either the Oregon legislature is a bunch of fools or Gov. Hughes is a demagogue. "What's the difference, anyway, what a legislature does so long as it gets the pious support or abuse of our papers published in the interests of partisanship, only.

Several men have fallen the past fortnight, victims of the "unwritten law," and editorial writers have inveighed against the evil. This is all very fine, but the victim of the law not on the statute generally dies "as the fool dieth". So long as human nature is human nature fools will pay for their folly with their lives, and jurors, being human, will not convict slayers of this kind. As the deacon would say: "It's agin human nature."

A Laurel woman is the victim of the festive fire cracker. This is one feature of the annual holiday that means death or injury, somewhere, every year. Hillsboro is to have a big celebration. Let parents warn children to be careful where and when they throw their fireworks.

Hillsboro Has to Bow to the Inevitable—Scores of Citizens Prove It

After reading the public statement of this party, given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this: G. S. Cooper, farmer, living three miles northeast of Salem, Ore., on R. F. D. No. 7, says: "I just as emphatically recommend Doan's Kidney Pills today as I did some three years ago. At that time I procured the remedy at a drug store and used it with the result that the back-ache was banished and the other annoyances caused by a derangement of the kidneys disappeared. The troubles started from too heavy lifting, resulting in my back being strained and ever after there was a dull aching over my kidneys and through the loins. I got prompt relief from Doan's Kidney Pills. I also know of some of my neighbors who have used your remedy and found it most reliable."
