LONG & McKINNEY

Sad to relate our Binger Hermann is making no Fourth of July oration in the Willamette Valley this year. The country and its institutions seem to have soured on Binger's stomach.

The Southern Pacific seems to be doing its utmost to live up to the requirements of the railroad commission. The commission, in turn, appears to be made up of men who are gifted with a degree of reason that will prove its worth to the people of a great state.

Hillsboro sadly needs a cannery. Every year there is a 'great waste of fruit that a cannery would save. In all Washington county there is not a single cannery. The nearest approach to it is the Knight Packing Co.'s plant, at Cornelius. Hillsboro should have a cannery. With proper management it would pay, and pay well.

Today is an occasion when men of all shades of political beliefs meet on common ground. No one knows party, and the National holiday is celebrated from Duluth, on the shores of Superior, to Galveston on the gulf. Men who disagree on national policies meet and agree on the worth of the commonweal. It is well that it is so.

A FATAL MISTAKE

Is Often Made by the Wisest of Hillsboro People

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills. Serious complications follow.

Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes—Bright's disease.

William Hunsinger, retired, of 221 Water St., Salem, Ore., says: "I speak from personal experience when I say that Doan's Kidney Pills do all that is claimed for them in curing kidney complaints and backache."

The Story of a Medicine.

Its name—"Golden Medical Discovery" was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed.

A glance at the full list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests.

For sale: Heavy work horse; well-bred black driving mare with colt; also U. S. cream separator, good as new.—Inquire of Fred Rood, near Rood's bridge.
