MRS. SNYDER MARRIED AT KANSAS CITY, MO.

Charming Widow of Murdered Snyder Takes Chance

WAS A FESTIVE TRAVELING MAN

Great of Beautiful Woman was Rather Speed Lived

Mr. Mudge Snyder, the beautiful widow of the late George Snyder, whose home was found bleaching in a cove near Bethany, last Fall, is again taking a chance in the matrimonial game. Mrs. Snyder last week wedded a drummer by the name of Williams, and she is now taking her wedding trip among the palms of California—but she will hardly come to Oregon. Mrs. Snyder and her former husband lived above Glencoe for a year or so. The husband, George Snyder, was a paroled convict from the Missouri penitentiary, and his father, a wealthy Kansas City banker, secured his parole and sent the boy out west, buying the Hope place for him. The boy came to settle down but he did neither, and neither did he settle up, as a rule. He fell in bad company. The Forest Grove bank was robbed, and Snyder was never seen but once or twice afterward. Late last Fall his remains, positively identified by the teeth, were found by a young man who was hunting. They were brought to Hillsboro by Acting coroner H. T. Bagley, the widow arrived and identified the body, proclaiming that she knew nothing of his murder, and that it was news to her; claiming that one Geo. Perry and companion must have killed him; and yet giving the state no chance to get enough from her to justify an arrest. Mrs. Snyder remained several weeks and played fantastic tricks on the officers who were trying to run down the perpetrator of the crime, gave out information to the dailies of Portland that would always put the murderers next to what was going on; and finally, when she had all the sport she wanted in this manner, flew east. The father-in-law, R. M. Snyder, was killed while she was here, in an automobile accident back in Kansas City, and after this Madge received no more money from the estate, and so quit the game, going to her sister back in the Missouri town, located ten or fifteen miles from Geo. Perry, who was Snyder's mysterious thorn, here and who disappeared at the same time that Snyder was last seen.

WASHINGTON CO. POMONA GRANGE

Endorses Assessor Wilcox for Timber Assessment

DECLARES FOR THE PARCELS POST

Also Want Committee to Look up Corporate Wealth

The Washington County Pomona Grange, which met at Tualatin July 24, and Mrs. Clara Waldo, state lecturer, visited, was an important session. The Grange endorses Assessor Wilcox for his timber assessment, and also endorses the proposition of a committee of five to look into the corporate assessments of the various values of the vested interests. The following resolutions were adopted:

Resolved, That the only way to obtain this much needed relief is to demand from every man who may become a candidate for Congressman or United States Senator, irrespective of party, a positive pledge that he will, if elected to this responsible office, work for and vote for the enactment of a parcels post law.

Resolved, That, in this connection, we especially commend the action of the Washington County Assessor in assessing the valuable timber lands of the county, which have heretofore borne but a small share of the tax burden, thereby adding a large amount about \$4,000,000 to the taxable property of this county.

HILLSBORO BALL TEAM BEATS BANKS BADLY

County Seat Boys Win by Score of 18 to 3

VISITORS COULDN'T BAT FREEMAN

Forest Grove Beaten at Home by McClunville

Hillsboro's ball team went up against Banks last Sunday on the local grounds and the slaughter was something terrific. Every one of the home team played great ball, while the Banks team went to pieces from the very start, it appearing that it was an off day for them from best to poorest. Clay Freeman's curves were too much for the visitors, and when they did hit there was nothing to it but outs at the bases. Roy Moore, for the locals, smashed out two home runs and Batchelor's base running was something great. Ford, catching for Hillsboro, held Freeman in fine shape. All the home boys were in the game in great form. Carstens, who pitched fine ball July 4, had a bad day, evidently. Banks' pitcher was badly battered and Barrett, the catcher, was in bad form, and batted poorly, he generally being good for nice work. Banks repeatedly threw the ball away, and, as they won the Fourth of July game against Cornelius, the Hillsboro team feels highly elated at the score. The line up was:

Hillsboro: Freeman, p.; Carstens, C.; Ford, 1b.; Barrett, 2b.; Roy Moore, 3b.; Ben Phillips, 4b.; Walter Mays, 5b.; Fred Schlegel, 6b.; Bill Humphreys, 7b.; Earl Wilson, 8b.; Harvey Batchelor, 9b.; Lester Ireland, 10b.; Ray Taylor, 11b.; Clay Dooley, 12b.; John McFee, 13b.; McPherson, 14b.

Chas. Stevens, of Buxton, umpired the game, and there was about 200 from Banks, and a like number from here, who witnessed the play. McMinville came down with a stiff lineup and beat the Forest Grove Colts by a score of 13 to 3, Sunday, at the Forest Grove grounds. The Colts were not right, and the visitors batted to beat the band. Hillsboro goes to Scholla, Sunday, to play with the local nine.

O. R. Downs, the former Forest Grove veteran, and well known at this place, is exporting the St. Johns' city books under contract. He is losing money on the job, he says, but will stay with his work until finished.

Hop pickers are requested to register at the W. B. Jolly yard, 2 miles north and a half east of Hillsboro. Yard of 33 acres to pick, and yield heavy.—W. B. Jolly, grower.

John Zimmerman was in from beyond Glencoe, Monday. Mr. Zimmerman recently lost a valuable horse by heart failure—but as some balm to his bad run of luck, a day or so after he won a gold watch, as a Weekly Examiner premium.
