Upon complaint of John Schomacher, of Garden Home, James Boyle, of the same section, was tried for assault and battery, Monday, and Boyle was fined \$10. It appeared that Schomacher had lately owed Boyle, and there was some dispute. Judge Kindt settled their trouble, apparently satisfactorily, but later there was bad blood between them. They met Friday, and Boyle heaved a rock at complaining witness, striking his shoulder. Judge Kindt thought that a ten spot was about right for the exertion, and Boyle is thinking of going into training as a base ball pitcher.

COMMON SENSE

Leads most intelligent people to use only mendines of known composition. Theremedicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering the them upon the bottle wrappers and attest its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody. Dr. Pierce being desirons of having the search light of investiga-

icinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and of near Centerville, August 15. chemically pure glycorine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely John Witt and Tennis Pyl, and
J. B. Stewart, were over from South
