HILLSBORO HOTEL SOLD

A rather important transaction was made in Hillsboro property last Monday, when C. H. Jeremish sold the Hillsboro Hotel property to E. I. Schulmerich, Will Wiley and John Bailey, the consideration not being divulged to the reporter. Mr. Schulmerich, however, said that the hotel which now has 19 guest rooms, will be enlarged as patronage requires, and that a feature under the new management, will be a double dining room. A lease has been executed by the purchaser to J. W. Egelow, late of the Lenox hotel, Portland, who will take possession some time during the present week, and who announces that he will have first class service in all departments. The name will remain the same.

HILLSBORO WINS

Hillsboro won the base ball game played with the Scholls nine last Sunday at this place, by a score of 12 to 8. There were no special features in the game, the local nine outplaying their competitors. The batteries were, for Hillsboro, Moore and Ford, for Scholls, Snyder and Toole. H. T. Bagley officiated as umpire. Hillsboro will play the Cornelius nine next Sunday on the latter's grounds.

Hi Clark, of Forest Grove, was a county seat caller Monday. Monday was Labor Day, but with but few exceptions, everybody labored. Ben Spooner, formerly of this county, now a bookkeeper in one of the Portland banks, visited A. M. Carlile, Monday. L. A. Long, formerly editor of the Argus, and family, are at the Bagley hop yard. Al will look after the books, and other duties in the yard, and at the same time enjoy a spell of camping out which he and family will no doubt appreciate, amid the odoriferous vines and fresh country air.

A dust storm resembling in a degree a Pasco alkali smog, swept through Hillsboro's streets Saturday, much to the discomfort of our citizens. Real estate moved lively during the afternoon in various directions. Several men were seen chasing their hats, and during an exceptionally heavy blast from the bellows of old Boreas, a large limb from the old oak tree in front of the Tualatin Hotel, came crashing down, narrowly missing one of our lawyers. On the same afternoon, being the last day in August, four couples applied for and received license to wed from Clerk Godman. With two electric storms also to our credit during August, that month will go on record, as one of the freakiest experienced, with-in the memory of the oldest inhabitant.

If you want to tile your place, get figures from the Groner & Rowell Company, of Scholls. We are the largest manufacturers of drain tile in the county, and have sold our product far and wide. If you are going to build this fall, get our figures of brick, building blocks etc. We also furnish lumber, rough and dressed, of all kinds, and deliver it required, in sufficient quantities. Address us at Hillsboro, R. F. D. No. 2. If you are wanting large sized tiling send us your order before Sept. 1.

S. B. Foster, a well known and respected citizen of Cornelius, died Saturday, August 31, 1907, aged 52 years. His funeral occurred Sunday, interment being in the Cornelius cemetery, the Old Fellows of Scio taking at the grave. The funeral sermon was preached by Rev. Blake, of the Cornelius M. E. Church. Deceased was both an Old Fellow and Woodman. He leaves a wife, son and daughter, the latter being a teacher in the Forest Grove public school.

H. Wehrung and Sons will give with each cash purchase amounting to \$1.00, a ticket which entitles you to a drawing on the following prizes: 1st prize, pair of \$10.00 wool blankets; 2nd prize, \$7.50 in trade; 3rd prize, \$5.00 in trade; 4th prize, Lady's \$3.50 shoes; 5th prize, pair Men's \$3.50 shoes; 6th prize, Boy's knee pants suit, \$3.50.

Will N. Barrett, midshipman at Annapolis Naval Academy, who left Hillsboro a year ago last April, returned home last Monday morning on a visit to his family in this city. Will has passed creditable examinations thus far, and likes the navy. He put in the Summer cruising on the Olympia, Admiral Dewey's old flag ship. He will spend his vacation with his parents in this city, reporting to the Naval school the last of the present month.

H. Wehrung & Sons, are re-reviving their fall line of Dress Goods, consisting of plain, and storm Serges, Broad cloth, Drap Chiffon, and fancy Dress Goods. It will pay you to call in, and get their prices before going elsewhere to buy.—H. Wehrung & Sons.

Formerly much straw was burned in Washington county each year, but this year, the greater portion of it is being baled. About half of the amount baled this season, will be shipped to Portland and Oregon City, bringing the shipper about \$4 per ton. The better quality of straw is bought by the Oregon City paper mills. The cost of baling in the field is about \$1.25 per ton.

For Rent: Farm of 117 acres, over 100 acres under plow; on rural mail and milk route; 2 miles from Hillsboro; telephone connection. For terms call Farmers' line, Pacific States 281.

By the end of the present week most of the grain in Washington County will be safely harvested. The light rains of last month did little or no damage. From conservative estimates given wheat this year will average from 30 to 33 bushels per acre, oats about 40 and barley 30. The grain is of average good quality.

We have ordered a cat load of wire fence direct from the factory. We can save you five per cent. on same if ordered immediately.—Schulmerich Bros.

The "Uncle Tom's Cabin" people showed in this city Monday night, under canvas, to about 800 people, so it was estimated. The troupe put up a mighty poor performance, and really did not deserve the generous patronage they received. The show descended upon the Grove Tuesday night.

H. Wehrung & Sons are head-quarters for Gents' Furnishing Goods, and Munsie's all wool underwear for Ladies.

C. I. Bucher bought the John Winters house and lot on 7th and Maple Streets, this week, and moved in. Miss Belle Whitcomb, of Portland, was the guest of Mrs. L. A. Whitcomb, Sunday.

NARROW ESCAPE FROM DEATH BY FIRE

Mrs. Anthony Tongue Has Unpleasant Experience

HOUSE AND CONTENTS DESTROYED

Her Clothing on Fire, When Help Arrived

The farm house of Mrs. Anthony Tongue, mother of the late Congressman Tongue, six miles north of Hillsboro, was destroyed by fire last Thursday afternoon, together with the greater portion of its contents. Mrs. Tongue informed a neighbor over the phone that her house was on fire, and W. C. Jackson, residing one mile distant, drove over taking three men with him. When they reached the place, a portion of Mrs. Tongue's clothing was on fire, but through the prompt assistance of Chas. Crocker, the blaze was smothered, and beyond slight burns, the lady will not suffer. It is quite probable, however, that if help had not arrived when it did, that grave consequences would have resulted. Mrs. Tongue is staying with relatives in Hillsboro for a time, recovering from the shock of her unpleasant experience. She is not very strong, but after the house caught fire, she managed to save a few articles, and it was while thus engaged the fire was communicated to her dress. The building was not insured. Mrs. Tongue has operated the farm with hired help ever since the death of her husband, some years ago. It is likely that she will rebuild.

Mrs. Flora McLeod

The late Flora McLeod, was born in Washington County, Oregon, near Gaston, in 1851, and died at the home of her daughter, Mrs. Matteson at Independence, August 28, 1907, aged 56. She was married to F. M. Lewis, of Lewisville, Oregon, in 1869. Her husband, her only daughter, Mrs. Matteson, and her sons, Albert McLeod, of Aurora, Jobe McLeod, of Buxton, and her sister, Mrs. George Ledford, Hillsboro, survive her. Deceased was a Christian woman and a host of sympathizing friends and neighbors mourn her loss. Rev. J. A. Campbell, of the Christian Church of Portland, conducted the funeral services.

"Sleep thou in peace till dawn
Till over thee at last shall break the resurrection morn,
Not relatives alone their tears shall shed
But all who knew her living, mourn her dead."

ARRESTED AND IN JAIL

S. D. Buchanan, for a time a section foreman on the P. R. & N. railroad, was arrested at the Union depot in Portland, Sunday night, by Sheriff Connell, on a warrant issued by County Clerk Godman, as a result of an affidavit filed in the County Court under the Absconding Debtor's act, by Edward Hannan, a Buxton merchant, charging that Buchanan was about to leave this state for Texas, without paying a grocery bill, amounting to \$128. Buchanan refused to put up bail, and is now in the county jail. Hannan has begun suit to recover the amount of his bill. T. H. Tongue is his attorney.

WANTED THE PARSON QUICK

While a minister was preaching in a town not far from this place, last Sunday, a young man armed with a marriage license stood impatiently outside the church, waiting for the termination of the sermon. To him the minutes seemed like centuries. Finally he sent a boy in, to tell the minister to come out. "That a feller wanted to see him." The boy told one of the officers of the church, who went outside and asked the nervous young man to be patient. "Ain't he never going to quit," asked the young man, mopping the sweat from his perspiring brow. "He just commenced a moment ago," said the church official. "Well, I want him on mighty important business," replied the young man, pacing up and down. After preaching about 30 minutes, the minister came out, jumped into the buggy and away they went speedily into the country, where the youth and maid were made one in short order. In due time, there was \$5 due the preacher, and joy, and a fine chicken dinner were gloriously intermingled. Such is the impatience of the impetuous youth.
