The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the temple or the jugular vein, stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect your throat, throat, feet and lungs, but the stomach is utterly indifferent to, until dissolved by the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrhs, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's great thousand-page illustrated Common Sense Medical Advisor will be sent free, paper-bound, for 21 cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

Will Know Later. Rosa (aged twelve)—Mother, why is it that they always speak of the goddess of victory and never of the god of victory? Her Mother—When you're married, my dear, you'll understand that.—Fitzgenda Blatter.

His Fault.

A newly married man in Norristown not long since accompanied his wife on a shopping expedition on condition that she should remain outside the shop. At one place she remained so long that he lost his patience.

"What do you mean keeping me standing out here like a fool?" he demanded when she came out.

"I can't help the way you stand, dear!" was the wife's sweet response.—Philadelphia Ledger.

Then She'd Say It.

"I assure you," said the persistent suitor, "that I will not take 'no' for an answer."

"You needn't," replied Miss Bright. "I'll say 'yes' upon one condition."

"All? Name the condition." "Just ask me if I am determined not to marry you under any circumstances."—Houston Post.

Margdalene—Oh, when he saw me in mine he said nothing. He just kissed me.—Meggendorfer Blatter.

HELP YOUR SECTION

On April 29th last the Oregonian published a special industrial edition devoted exclusively to the exploitation of Oregon. It probably contained more special and miscellaneous information about Oregon than any one publication that has ever been issued. It is peculiarly useful and valuable to the homeseeker, because it gives the latest and most reliable information about so many different subjects that the homeseeker is naturally interested in. Almost every department of industry is specialized, and both descriptive and statistical information of a highly valuable character is given extensively and in entertaining form.

Residents of Oregon who know its advantages as compared with the congested and depleted East, and who still have friends back there whom they would like to see here enjoying the good things of this favored state, can aid in a splendid work now without cost and very little effort. If you think your friend would be interested in knowing more about Oregon and might eventually become a valuable citizen, send his name and address to the general passenger agent of the Oregon Railway & Navigation Company Southern Pacific at Portland, and a copy of this special edition, with a complete summary of the several subjects treated, carefully indexed, will be mailed to him promptly. In this manner you may be the means not only of doing your friend a good turn, but of helping to stimulate the growth and prosperity of Oregon.

Don't forget that commencing September 1st and continuing daily for two months, tickets will be on sale at almost every railroad station in the East to all points in Oregon and the Northwest at what has come to be popularly known as "colonist rates." These rates are the cheapest general long distance rates ever established, and enable one to reach Oregon from any part of the United States at but a trifle more than one cent a mile. They are the greatest incentive to colonization and progressive home building of any known agency, and if the restless, dissatisfied resident of the East is made to know before-hand the advantages he can enjoy here, the problem is solved, and the star of empire will continue to move steadily westward.

Now is the time to spread the gospel of Oregon, so that it may be heard and accepted by the time the rates go into effect. Send us name or two, or a dozen, and you will be exerting a worthy influence toward the upbuilding of our state. Send
