A FATAL MISTAKE

Is Often Made by the Wisest of Hillbore People

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills.

Serious complications follow. Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes - Bright's disease.

William Bumgardner, retired, of 424 Water St., Salem, Ore., says: "I speak from personal experience when I say that Doan's Kidney Pills do all that is claimed for them in curing kidney complaint and backache. I had felt the need of such a remedy for a good long while, but did not know just what I should use. I have found that many medicines are worthless, and that even physicians' prescriptions do not always prove effective. When I read of Doan's Kidney Pills, however, I was induced to go to a drug store and procure a supply. The backache and irregular condition of the kidneys which had annoyed me quickly gave way upon beginning to use your remedy. I was restored to a condition of ease and comfort. I can recommend Doan's Kidney Pills to anyone in need of such a medicine."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name, Doan's, and get no other.
