A FATAL MISTAKE

Is Often Made by the Wisest of Hillsboro People

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills. Serious complications follow.

Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes-Bright's dis

ease.

William Bumgardner, retired, of 424
Water St., Salem, Ore., says: "I speak
from personal experience when I say
that Doan's Kidney Pills do all that is
claimed for them in curing kidney complaint and backache. I had felt the need
of such a remedy for a good long while,
but did not know just what I should use,
I have found that many medicines are
worthless, and that even physicians' prescriptions do not always prove effective.
When I read of Doan's Kidney Pills,
however, I was induced to go to adrug
store and procure a supply. The back
ache and irregular condition of the kidneys which had annoyed me, quickly
gave way upon beginning to use your
remedy. I was restored to a condition of
ease and comfort. I can recommend
Doan's Kidney Pills to anyone in need of
such a medicine." such a medicine.
