A seedless and colorless pear has been discovered at Hood River. It has been named the "Mason pear," after Mrs. Mason, who discovered it. The Oregonian hopes that the naming of the pear will not lead to a Mason jar. A Mason jar is a good thing to have in the house, but to have a jar in a Mason house would be un-Masonic.

The Hillsboro Street Fair brought the people together, showed the best stock, exhibited wonderful vegetables, elegant fruit, fine poultry, and demonstrated that we have talent to be proud of in various lines.

"Old Loves; Old Pipe; Old Friend"

The old pipe that I laid away, Because I deemed it strong, Expired in sorrow on the shelf, No joined in wassail song. A new dudder usurped its place, With shining bowl so fair; And when the smoke curled out in rings, It scented sweet the air. The old brown bowl was soon forgot - The new love had full sway. The while the old bowl seemed content Its resting place to stay. Last night as I was wand'ring home, I lost the new dudder, And mourned it like a dear, dear friend, Whose face no more is seen. It answered not to studied search; Ah! met I was bereft - And then a vision came to me; The old pipe still was left. I filled its gaping bowl, so deep, And drew a long, deep draught - It purred and gurgled in delight, And then methought it laughed. And said: "Old man, old friends are best, Don't lay them on the shelf - Just think, old man, how good you'd feel, To be cast out, yourself!" The blue smoke rolled so deep and sweet, And seeming, without end, And then this magic legend drew: "Old loves; old pipe; old friend."

The Farmer's Wife Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it? The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn - absolutely removes every taint or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements. The best agents known to medical science for the cure of these troubles are Dr. Pierce's Golden Medical Discovery, Dr. Williams' Pink Pills for Pale People, and Dr. Williams' Pink Pills for Women. These are the only medicines that have been skillfully and harmoniously combined with the most potent medical discoveries. That this is absolutely true will be readily proven to your satisfaction if you will mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famous medicines and showing what the most eminent medical men of the age say of them.
