On November 1st the school officers of Washington county met at this place, under a provision of an act passed by the last legislature. The meeting was an interesting one from many points of view. Among matters which came up for consideration, was the plan evolved main before it will be necessary to give instruction in the several districts, during the year, on the subject of agriculture. The matter was tailor made suits at \$10 and \$12, discussed by the officers present. to Supt. Case:

"Your committee appointed to invest igate the question of employing an agri cultural expert, to teach agriculture report that they recommend that the County Superintendent issue a circular not to re-enter business.
