WEDNESDAYS CLOSE NEXT SATURDAY

Declares Governor Chamberlain

BANKS ARE IN GOOD SHAPE

Bank is Over. With Good Times Ahead

Chamberlain has official

declared the legal holidays off

next Monday will be the be-

ginning of the old regime of un-

business days. The Govern-

ment takes this action for the reason

that times are improving every-

where, in both the East and West

showing that the necessity for

holidays is now past. The

banks now have heavy

reserves, and have paid the

banks their money, so that

the latter are now ready for their

operations. There will be no runs

at the banks when the people

know that they can get their

money, and although some money

will be drawn out, to complete

business deals, it will return to the

banks. Not a single bank in Wash-

ington county has been compelled

to close its doors, and all are in

the best of condition. The people
