DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctors, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better. The doctor, finding the wrong treatment, prescribes a favorite remedy like Dr. Pierce's Favorite Prescription directed in the other world. He has ordered the case, thereby dissipating all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in high quantities of the active ingredients.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic diseases of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One or three a dose. Easy to take as candy.
