The Oregonian is fighting the direct primary and Statement No. 1. with considerable vigor. It has not been so very long ago, that the Oregonian was fighting for those measures. What sort of a change has come over it? All the big corporations, and all the ring politicians are hoping that the Oregonian will succeed in making the people tired of the primary law, but a majority of the people want both the primary law and Statement No. 1, and a majority of the people of the state of Oregon will rule. The editorial ability of the Oregonian might be exercised in a better cause.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our throats, feet and lungs, but the stomach is utterly indifferent to our attacks. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect yourself from the most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 cent stamps, or cloth-bound for 51 stamps. Address Dr. Pierce as above.
