

LORD LOVELACE. RACE RECORD 2:10

Was the fastest horse, either trotter or pacer, on the North Pacific Circuit in 1906, and was also the largest money winner of any horse, either trotter or pacer, in said year, pacing two races each week throughout the entire circuit and losing only two heats, and is considered by expert horsemen, to be one of the leading pacers in America. He not only comes from a racing family, but is without question the greatest racing pacer ever bred in Oregon;

He is the only horse, trotter or pacer, to have been bred, raised and raced in Oregon to the record of 2:10

After being three days and three nights in a car, he was taken from the train and immediately started in a race where he forced 'Sherlock Holmes' to pace to the record time of 2:06 in order to beat him. He is not only a horse of remarkable speed and gameness, but is so consistent and reliable that he has made but one break in a racing career of three years. His disposition is such that any child or woman can drive him.

Sired by Lovelace

He is sired by "Lovelace," one of the greatest three-year old trotters in America in 1884, he being by "Egbert," he being by "Electroner," the greatest of all trotting sires, living or dead. "LORD LOVELACE'S" dam is "Maggie," a full sister to "Rosie C.," 2:10, the dam of "Prince Direct," record, 2:07, single, and 2:05 1/2 double. "Maggie" is the dam of "Lord Lovelace," 2:10, contending horse in a race 2:06; "Portia Knight," 2:16 1/2, contender in a race, 2:12 1/2; and "Ben Bolt," record to a wagon, 2:18, trial, 2:11. "Maggie" is sired by "Duroc Prince," second dam, "Frankie" by "Oregon Pathfinder," sire of the dam of Alto, 2:09 1/2, and "Pathmont," 2:09 1/2, the sire of "Pathmark," 2:11.

"Lord Lovelace" will make a short season at the home barn of **E. B. TONGUE, HILLSBORO, OR.** Terms—\$45 for the season
