The June campaign will soon be under way. The senatorial election promises to be one of the most exciting ever held in the history of the state. Both candidates are for Statement No. 1. One is a republican, and the other a democrat. In any event, a Statement No. 1 man will be elected. It seems to be in the air, and the nomination of Mr. Cate on that issue, by a majority of his party, makes it a principle of the party, and there is no way of dodging it, unless the voter votes in the air. Republicans may as well meet the issue squarely, and elect Mr. Cate. He is now the standard bearer of the party, and as such should receive the votes of all loyal republicans.

If You Read This. It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, liver complaint, torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultant, as bronchitis, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing permanent relief. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow of Jefferson Med. College; Prof. Hare of the Univ. of Pa.; Prof. Finley of Howard Med. College; Prof. King, M. D. of Cincinnati; Prof. John M. Scudder, M. D. of Cincinnati; Prof. Edwin M. Hays, M. D. of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice. The "Golden Medical Discovery" is the only medicine put up for sale through druggists for the purpose of having any professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—being used pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

Yes, We Do It! All Kinds of Painting Moore & Shirley Main Street, opp. Payne Bros. Livery Barn. WHAT THE KIDNEYS DO. Their Unceasing Work Keeps us Strong and Healthy.

All the blood in the body passes through the kidneys once every 3 minutes. The kidneys filter the blood. They work night and day. When they fail they remove about 200 grains of impure matter daily—when an unhealthy part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys. W. H. Morton, living on Third & Lincoln Streets, Hillsboro, Oregon, says: "When I first began using Doan's Kidney Pills, I was suffering from a weak back and a general condition of the body. These organs were so weak that I was forced to take several times during the night. I was forced to stoop and bend a great deal, and when the pains across my back were at their height, I was hardly able to do my work. I had read about Doan's Kidney Pills, and seeing that they were so highly advertised, I procured a box. I am now better than before in a long time, and can say that Doan's Kidney Pills acted like magic in my case." For sale by all dealers. Price, 50 cents. Foster Millburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

THE WELD THAT HELD. Science has developed something infinitely better than the old-style wrap or clamp. "PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY. This is the modern method of construction. Years of life are added through the elimination of serious fence defects. AWRAP holds moisture, cracks the galvanizing and allows the water to attack the bare wire. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT; examine the joint. STAYS CANNOT SLIP. They are always just where they were put. Stay and strand wires become one piece when the union is made. The fence is like a solid sheet of perforated steel. Every Rod is Guaranteed Perfect. Don't allow your prejudice in favor of the rapidly declining and now antiquated methods you have heretofore known, to warp your good judgment. "PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS, because hundreds of thousands of dollars worth of standard material is daily welded by electricity. The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded product. If your wagon was made in a large factory, its tires were welded by electricity. You will find electrically welded hoops on ice cream freezers and washing machines, on many tubs and buckets. Examine them. "PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD." MR. FARMER: LISTEN, NOW. Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this: That the wires are not injured at the joints, That the fence is perfectly adjustable to uneven ground, That the stays will not separate from the strands, That the fence is all right in every particular. Could you ask any more definite protection? Your complete satisfaction is absolutely assured. THE NELSON HARDWARE CO. Hillsboro, Oregon. Administratrix' Notice.
