

LORD LOVELACE, RACE RECORD 2:10

Was the fastest horse, either trotter or pacer, on the North Pacific Circuit in 1906, and was also the largest money winner of any horse, either trotter or pacer, in said year, pacing two races each week throughout the entire circuit and losing only two heats, and is considered by expert horsemen, to be one of the leading pacers in America. He not only comes from a racing family, but is without question the greatest racing pacer ever bred in Oregon;

He is the only horse, trotter or pacer, to have been bred, raised and raced in Oregon to the record of 2:10.

After being three days and three nights in a car, he was taken from the train and immediately started in a race where he forced 'Sherlock Holmes' to pace to the record time of 2:06 in order to beat him. He is not only a horse of remarkable speed and gameness, but is so consistent and reliable that he has made but one break in a racing career of three years. His disposition is such that any child or woman can drive him.

SIRED BY LOVELACE

He is sired by "Lovace," one of the greatest three-year old trotters in America in 1894, he being by "Eg. 1st," he being by "Electrolooper," the greatest of all trotting sires, living or dead. "LORD LOVELACE'S" dam is "Maggie," a full sister to "Rosie C." 2:16, the dam of "Prince Direct," record, 2:07, single, and 2:05 1/2 double. "Maggie" is the dam of "Lord Lovace," 2:10, contending horse in a race 2:06; "Fortia Knight," 2:05 1/2, contender in a race, 2:12 1/2; and "Ben Holt," record to a wagon, 2:18, trial, 2:11. "Maggie" is sired by "Duroc Prince," second dam, "Frankie" by "Oregon Pathfinder," sire of the dam of "Aliso," 2:09 1/2, and "Pathmont," 2:09 1/2, the sire of "Pathmark," 2:11.

"Lord Lovace" will make a short season at the home barn of E. B. TONGUE, HILLSBORO, OR. Terms—\$45 for the Season.

Mr. McFadden was at one time Grand Master of the Oregon A. O. U. W. Senator Bourne has introduced a bill to directing the Secretary of the Treasury to pay claims now pending for services rendered in the Cayuse Indian War. There are several such claimants in this county. They should have been paid long ago. G. B. Alveris Matteson, of Gaston, died April 19th, and the funeral services were held on Sunday, April 19th, at 2 o'clock, being conducted by Rev. Phelps; remains were in the Hill cemetery. Mr. Matteson was born in Chautauque, N. Y., May 19, 1825, and lived in Oregon for many years. Next to the condenser, in importance, as a means of helping the people of Hillsboro and vicinity, would be a fruit and vegetable cannery. It should be organized and built and owned by the people of this vicinity. It would afford a market at home at a good price for all that this locality could produce, besides affording employment during the canning season to many women and children. Can the people afford to be without a cannery? The State Grange meets at Eugene, on May 12th. The following members of the Grange from this county have representation on standing committees: Credentials, P. Olson, Hillsboro; Division of Labor, Mrs. Julia Olson, Hillsboro; Mileage and per diem, W. E. Prickett, Banks; By Laws, Wm. Jaquith, chairman, Laurel; Good of the Order, P.
