A Taxpayer will work for the best interests of the Taxpayer

How are republicans who are opposed to Roosevelt, supposed to reconcile the fact that Taft is Roosevelt's candidate, and is expected, if elected, to carry out Roosevelt's policies?

The people do want the old political machines of either party. It is the people against the politicians now days. While political cliques may win temporary advantage, the people will control in the end.

The old method of allowing a few interested politicians to select candidates for United States Senator, is now obsolete. The people are having an inning, and they are competent to select the best men

It is reported that the Multnomah delegation to the State Convention have signed a pledge against an instructed delegation to the National delegation. Three-fourths of the Republicans of Oregon are for Roosevelt for a second elective term.

Emmett Quick came near getting crushed in the Red Front Livery Stable, yesterday. A team which was hitched to the Commercial bus, started to run out of the barn. Emmett held on to the line, and was thrown between the bus and the side of the barn, when fortunately for him, the team was stopped, otherwise he would have been badly hurt. As it was he received some painful bruises to one of his legs.

Wm. Westhoff, a well known citizen of the Cedar Mill section, met with a severe accident about noon today. He was engaged in splitting kindling wood with a long handled ax, when the ax slipped, striking his left wrist and cutting it nearly one-third in two. Dr. W. D. Wood was phoned for, and went out and attended to his injuries.

**Women Who Wear Well.**  
 It is astonishing how great a change a few years of married life often make in the appearance and disposition of women. The husband, the children, the brilliant world, the busy life, the social life, the dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

**THE WELD THAT HELD**

**"PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY.**

This is the modern method of construction. Years of life are added through the elimination of serious fence defects.

**AWRAP** holds moisture, cracks the galvanizing and allows the water to attack the bare wire. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT; examine the joint.

**STAYS CANNOT SLIP.** They are always just where they were put. Stay and strand wires become one piece when the union is made. The fence is like a solid sheet of perforated steel.

**Every Rod is Guaranteed Perfect.**

Don't allow your prejudice in favor of the rapidly declining and now antiquated methods you have heretofore known, to warp your good judgment.

**"PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS,** because hundreds of thousands of dollars worth of standard material is daily welded by electricity.

The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded product.

If your wagon was made in a large factory, its tires were welded by electricity.

**"PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD."**

**MR. FARMER! LISTEN, NOW.** Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this:

- That the wire is not injured at the joints.
- That the fence is perfectly adjustable to uneven ground.
- That the stays will not separate from the strands.
- That the fence is all right in every particular.

Could you ask any more definite protection? Your complete satisfaction is absolutely assured.

**WHAT THE KIDNEYS DO.**

Their Unceasing Work Keeps us Strong and Healthy

All the blood in the body passes through the kidneys every 3 minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily—when unhealthy some part of this impure matter is left in the blood. This brings on back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

W. H. Morton, living on Third & Lincoln Streets, Hillsboro, Oregon, says: "When I first began using Doan's Kidney Pills, I was suffering from a weak back and a disordered condition of the kidneys. These organs were so weak that I was forced to arise several times during the night. I was forced to stoop and bend a great deal, and when the pains across my back were at their height, I was hardly able to do my work. I had read about Doan's Kidney Pills, and seeing that they

were so highly advertised, I procured a box. I am now better than before in a long time, and can say that Doan's Kidney Pills acted like magic in my case."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
