**A Taxpayer will work for the  
 best interests of the Taxpayer**

The republican clans meet today in Portland at the state convention to elect delegates to the national republican convention, and to nominate Presidential electors. From the appearance of things before the battle, it looks as though the Fulton faction would wage a bitter fight against the Bourne faction. Instead of fighting, these factions should harmonize, if party harmony, and the election of Cake are desired, otherwise, a fight at this time will be water on Chamberlain's political wheel.

Remember, the Oregonian and Argus, only \$2.25.

Warren Williams, of near Mountaineer, was in town today.

H. C. Todd, of Laurel, was in the city yesterday.

A pile driver belonging to the Oregon Electric construction force arrived at Pres. Jackson's place last night, and will be used to drive piles for a trestle to cross the county road near Jackson's place.

T. R. Imbrie and wife returned from a two months' trip to California, today, and report an enjoyable time while gone. Miss Letitia Imbrie, who went with them, returned home Wednesday night.

Mr. and Mrs. Geo. A. Webb received a telegram yesterday from their niece, Miss Grace Henshaw, of Pueblo, Colo., stating that she would arrive in Hillsboro, May 15, to make them a visit. Her home is in Bloomington, Ill.

Robert Nell, who died at his home in Forest Grove, Tuesday evening from an acute attack of pneumonia and was buried in the Naylor cemetery yesterday, was born at Ontario, Canada, 55 years ago and came to Oregon in 1896. He was married to Miss Mary Haaker 28 years ago. She survives him with their children, Geo. Frank and Kate.

Word was received here this morning from Mrs. N. L. Atkins, at Forest Grove, that her husband, who is working in Portland, would not be a candidate for County Clerk on the Independent ticket. Mr. Atkins petition, with the requisite number of signers, was filed in the Clerk's office this week. This leaves J. W. Bailey, the republican candidate, a clear field.

**WHAT THE KIDNEYS DO.**

Their Unceasing Work Keeps us Strong and Healthy  
 All the blood in the body passes through the kidneys once every 3 minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 50 grains of impure matter daily—when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.  
 W. H. Morton, living on Third & Lincoln Streets, Hillsboro, Oregon, says:—  
 "When I first began using Doan's Kidney Pills, I was suffering from a weak back and a disordered condition of the kidneys. These organs were so weak that I was forced to arise several times during the night. I was forced to stoop and bend a great deal, and when the pains across my back were at their height, I was hardly able to do my work. I had read about Doan's Kidney Pills, and seeing that they were so highly advertised, I procured a box. I am now better than before in a long time, and can say that Doan's Kidney Pills acted like magic in my case."

**A Lazy Liver**

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with over work. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and soothes the liver of the burdens imposed upon it by the defection of other organs.  
 If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, dependent, frequent headaches, pain or distress "small of back," gnawing or distressing feeling in stomach, perhaps nausea, "burning" or "crises" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or safely than **Pierce's Golden Medical Discovery**. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and weak stomach. Avoid all hot bread and rolls, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to it until you are vigorous and strong.  
 The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle wrapper and attested under oath. Its ingredients are analyzed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.  
 Don't accept a substitute of unknown composition for this non-secret medicine of known composition.
