REPRESENTATIVE

A Taxpayer will work for the best interests of the Taxpayer

Vote for Burke Tongue for District Attorney, Barrett, for Joint Senator, Wood for State Senator, and for the whole legislative ticket

A democratic senator in Congress, will do the state of Oregon no good. Cake will be in a position, if elected, to get needed appropriations for the state. Vote for Cake.

There are some good men on the Independent ticket, but that is no argument why republicans should vote for them. We have just as good men on the republican ticket. Vote straight.

Vote for Bailey for County Clerk He is entitled to the election as the republican nominee. If you want to uphold the primary law, vote for those who have complied with all its provisions.

Statement No. 1 republicans can vote for a Statement No 1 man Cake made the primary fight on that platform, and there is no occasion for Statement No. 1 men to vote for Chamberlain.

Persons wishing to tile their farms will always find a large stock of fine tile in our yard at Scholls Those wishing the larger size tiling should place their orders with us before June 1. We also carry brick and building blocks. Those intending to build will find a large supply of lumber at our yard, and you are invited to call and look over our stock before purchasing.—Groner & Rowell, Scholls, Ore.

Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John E. Fife one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (Helonia Dioica) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator... makes for normal activity of the entire reproductive system." He continues "in Helonia we have a medication which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for its medicinal agency. Dr. E. Fife further indicates that Unicorn root... pain or aching in the back, with leucorrhoea; atonic (weak) condition of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (flooding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying an atonic condition of the digestive organs and aemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonia, and the medicinal properties of which it most faithfully represents. Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says: "It is an important remedy in disorders of the womb. In all catarrhal conditions... and general enfeeblement, it is useful." Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system, there is no medicine to use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states." Prof. E. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal: "Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)." Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

WHAT THE KIDNEYS DO.

Their Unceasing Work keeps us Strong and Healthy

All the blood in the body passes through the kidneys once every 3 minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily—when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

W. H. Morton, living on Third & Lincoln Streets, Hillsboro, Oregon, says: "When I first began using Doan's Kidney Pills, I was suffering from a weak back and a disordered condition of the kidneys. These organs were so weak that I was forced to arise several times during the night. I was forced to stoop and bend a great deal, and when the pains across my back were at their height, I was hardly able to do my work. I had read about Doan's Kidney Pills, and seeing that they were so highly advertised, I procured a box. I am now better than before in a long time, and can say that Doan's Kidney Pills acted like magic in my case."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Science has developed something infinitely better than the old-style wrap or clamp.

"PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY.

This is the modern method of construction. Years of life are added through the elimination of serious fence defects.

A WRAP holds moisture, cracks the galvanizing and allows the water to attack the bare wire. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT; examine the joint.

STAYS CANNOT SLIP. They are always just where they were put. Stay and strand wires become one piece when the union is made. The fence is like a solid sheet of perforated steel.

Every Rod is Guaranteed Perfect.

Don't allow your prejudice in favor of the rapidly-declining and now antiquated methods you have heretofore known, to warp your good judgment.

"PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS, because hundreds of thousands of dollars worth of standard material is daily welded by electricity.

The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded product.

If your wagon was made in a large factory, its tires were welded by electricity.

"PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD."

MR. FARMER: LISTEN, NOW. Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this:

- That the wires are not injured at the joints.
- That the fences are perfectly adjustable to uneven ground.
- That the stays will not separate from the strands.
- That the fence is all right in every particular.

Could you ask any more definite protection? Your complete satisfaction is absolutely assured.
