No. 84, Hillsboro, R. 3.—Maggie Ryan, Astoria stand the expense, it might be well enough to allow them that Ladies' 10 and 15c turnover collars, at Baird's, for 5 cents while privilege. As to the big appropriation for the State University, the 11 Argus reiterates its former advice, Vote yes on the University of Oregon School Appropriation Bill. The present appropriation is the emallest made to any State Univer-eity in the Union. Washington's appropriation is four times the

viz: That the voters of this county would do far better to vote down the University appropriation, and vote in a county high school, for the reason that very few Washington county boys go to the State University, and there is no reason in burdening this county with use-less taxation. If Washington county taxpayers and residents think more of the State University than they do of their own children's interests, and want to tax themselves to keep up an institu-tion for the sons and daughters of school for the past two years, and has given excellent service and enrich men, who can afford to pay its tuition fees, well and good. It is up to the voters, and we think they of sterling worth to any county or understand what they want
