Official Vote, Washington Co., Ore., Election June 1, 1908

Table with columns for Candidates and Total. Lists candidates for various offices such as Congress, Supreme Judge, School Supt, Sheriff, etc., with their respective vote counts.

The high school proposition in this county was defeated largely because the people did not fully understand its importance, and for the further reason that there was little or no work done for it. Its friends will petition for it to be placed upon the ballot in the November election.

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broad-cast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicine. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them Remedies of Known Composition.

By this bold step Dr. Pierce has shown the world the formula of such compounds that he is not afraid to subject them to the strict scrutiny. Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, this famous medicine for weak stomach, torpid liver or biliousness and all catarrhal diseases wherever located, also contain upon it, in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicine. One of these little books will be mailed free to any one sending address on postal card or by letter to Dr. R. V. Pierce, at the above standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicine.

THE WELD THAT HELD. Science has developed something infinitely better than the old-style wrap or clamp. "PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY. This is the modern method of construction. Years of life are added through the elimination of serious fence defects. A WRAP holds moisture, cracks the galvanizing and allows the water to attack the bare wire. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT; examine the joint. STAYS CANNOT SLIP. They are always just where they were put. Stay and strand wires become one piece when the union is made. The fence is like a solid sheet of perforated steel. Every Rod is Guaranteed Perfect. Don't allow your prejudice in favor of the rapidly declining and now antiquated methods you have heretofore known, to warp your good judgment. "PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS, because hundreds of thousands of dollars worth of standard material is daily welded by electricity. The hoop on the average sugar barrel in the isolated country grocery store is an electrically welded product. If your wagon was made in a large factory, its tires were welded by electricity. That the wires are perfectly adjustable to uneven ground. That the stays will not separate from the strands. That the fence is all right in every particular. You will find electrically welded hoops on ice cream freezers and washing machines, on many tubs and buckets. "PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD." MR. FARMER: LISTEN, NOW. Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this: That the wires are not injured at the joints. That the fence is perfectly adjustable to uneven ground. That the stays will not separate from the strands. That the fence is all right in every particular. Could you ask any more definite protection? Your complete satisfaction is absolutely assured. THE NELSON HARDWARE CO. Hillsboro, Oregon. PITTSBURGH PERFECT FENCING (Special Style).
