**OVERTAXED**  
Hundreds of Hillsboro Readers Know What it Means  
The kidneys are overtaxed; have too much to do. They tell about it in many aches and pains—backache, sideache, headache. Early symptoms of kidney ills. Urinary troubles, diabetes, Bright's disease follow. A Hillsboro citizen tells here a certain cure:  
Mrs. V. M. Vase, living on Jefferson St., Hillsboro, Ore., says: "Doan's Kidney Pills proved of great value to me. At the time I began their use I had been suffering for a long time from a weakness of the kidneys and back. I would arise in the morning feeling unrefreshed and ill-fitted to begin my duties. My head ached at times and I seemed to be weak all over. My kidneys were out of order and gave me a great deal of annoyance. I procured a box of Doan's Kidney Pills and after taking a few doses was greatly relieved. I was so delighted that I procured another supply and in a month was entirely free from the complaint. I am much better in every way since using Doan's Kidney Pills and give them the credit."  
For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.
