The Story of a Medicine.

Its name Golden Medical Discovery was suggested by one of its most important and valuable ingredients - Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native me-dicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now worldfamed "Golden Medical Discovery," for

famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or drapepsia, torpid liver, or biliousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its mask-up.

A glance table full list of its ingredients, printed on every bottle-wrapper, will show that it is hade from the most valuable medicinal roles found growing in our American forests. All these intredients have received the altrongest endorsement from the leading medical enterits eachers and writes in motivo cased the promise for the diseases for which to the diseases for which the disease of the diseases for which the disease for which the diseases for which the diseases for which the disease for the di

been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Gold-en Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all ca-tarrhal, bronchial and throat affections, accommodied with categories accompained with catarrhai discharges, hoarseness, sore throat, lingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and recovery in the use likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will, It will cure the affections that lead up to consumption, if taken in time.
