## TIME TO ACT

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Hillsboro People's Experiences

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ill. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Hillsboro prove the effectiveness of this great kidney remedy.

Fred Landrock, living on Third St., Hillsboro, Ore., says: "My wife suffered from kidney and bladder trouble for a long time and no matter what she tried, got no relief. She suffered from pains in her back and limbs and to bend or stoop over was impossible. At times she was so lame and tired out at night that she could not turn over in bed. She also had trouble with the kidney secretions which were very frequent and irregular. All the different remedies she tried did her no good and she also used plasters and liniments but failed to find relief. At last she heard about Doan's Kidney Pills, and procured a box. They helped her from the first and it was only a short time before she was entirely free from the slightest symptom of the complaint. I also used Doan's Kidney Pills and the results were highly satisfactory in my case."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
