HILLSBORO TO PORT LAND IN 40 MINUTES

Rails Will be Laid to Hills. boro by Saturday Night

TRAFFIC TO BEGIN SEPTEMBER 15

Foreman Donald Has Seventy Men at Work on Forest Grove Line

G. M. McDowell, right of way man day for the Oregon Electric Company, was in town Tuesday and Wednes day, closing up some right of way on business. matters. Mr. McDowell is of the opinion that the rails will be laid. and the trolley poles all put in place between Garden Home and Hillsboro, by Saturday night Further, he believes that the line will be in operation, and ready for traffic by the 15th of September. The company is figuring on a schedule which will give the people of Hillsboro transit to Portland in 40 minutes. The passenger tariff has not yet been figured out, but it will be less than that now charged by the Southern Pacific Company The work of laying the track and putting up the trolley poles has been interfered with recently by the breaking down of a motor and a steam engine, but work is now at Patterson's. going on briskly. Chris Donald moved his force of about 70 men with teams, Wednesday, and is now making the dirt fly on the line between Hillsboro and the Grove Some difficulty had with I D Chappell, who has the Torque place leased, west of town, is likely to be settled within a few days, when the right of way between Garden Home and the Grove will all be clear. Some straw owned by Chappell was burned on the line of the survey, Monday afternoon, but the company disclaims responsibility for it. Chappell asks \$2(x) damages for right of way, and that Prineville, and Mrs. Ida McNutt, although negotiations are pending.
