COMMON SENSE

Leads most intelligent people to use only medicines of known composition. Therefore (it is that) Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrapper and their correctness under oath, are daily giving in favor. The composition of Dr. Pierce's medicines is open to everybody, Dr. Pierce being desirous of having the search light of investigation turned fully upon his formulae, being confident that the better the composition of these medicines is known the more will their great curative merit be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet does cure all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption. In time and it is not likely to disappoint you if only you give it a thorough and fair trial. Don't expect miracles. You won't do supernatural things. You must have the unqualified endorsement of scores of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Hillsboro Citizen Can Afford to Ignore

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Dan's Kidney Pills cure sick kidneys and cure them permanently. Here's Hillsboro proof: Mrs. L. A. Whitcomb, living on Edson st., Hillsboro, Ore., says: "I had been bothered with kidney and bladder

trouble for a long time and as a result of this trouble I endured a great deal of misery. My kidneys were too frequent in action and gave me great anxiety especially at night. As a result, for the most part, I would arise in the morning feeling tired and worn out and when I attempted to stoop or to lift anything, sharp pains would pass through the small of my back and I would sweat intensely. I took two or three different remedies, but did not find relief. At last my attention was drawn to Dan's Kidney Pills, and I procured a box. My pains and aches soon vanished, my kidneys are regular and normal and I have not had a return of any trouble since. I can recommend Dan's Kidney Pills very highly."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Dan's—and take no other.
