Ormsby McHarg, Hitchcock's special political agent and unifier, met the Fulton and Bourne factions in this state this week, and all agreed to be the same as brothers, during the campaign. It was a case of hug, kiss and make up. 'Tis well.

Senator Jonathan Bourne returned to Portland, from the east last Sunday, after an absence of more than 2 years. He will make a vigorous campaign for the election of Taft and will visit every county in the state. Senator Bourne, while not a public speaker, is an untiring worker and makes a good impression wherever he goes. Senator Fulton will make speeches for Taft during the campaign.

We open our own oysters, therefore, they are always fresh. Give us your orders at Palmateer's confectionery.

The 3-year-old child of Mrs. W. Reese, who is visiting her sister, Mrs. Forney, of near Hillsboro, had the misfortune to fall and break her left thigh, Saturday, while playing near the house Dr. Tamisie was called to attend the injuries.

A dance will be given at the Ralph Imbrie hop house, on Saturday evening, Oct. 3, 1908. Numbers, including supper, 75c. Jack's orchestra.

John Rigby, of near Reedville, accidentally got one of his feet under a wheel of a moving water wagon, Saturday, with the result that the foot was badly crushed. One of the toes was so badly hurt that it had to be amputated by Dr. Tamisie, the attending physician.

The Hillsboro Prune dryer will be operated this season, at the corner of 4th and Jackson streets. Rates as usual. J. F. Kerr, proprietor.

Mrs. Stephen Morgan, of Forest Grove, aged 58 years, died at a Portland sanitarium yesterday, of blood poisoning. She came to the Grove from Nebraska about five years ago, and is survived by Mr. Morgan, two sons, one living in Nebraska, the other in Portland, and two daughters, Miss Emma Stephens and Mrs. Lowell Markee, of Forest Grove.

N. W. Chilcott, on the old Luce farm, foot of 7th street, will sell Italian prunes to anyone calling for them at 4 cent per pound.

D. B. Reasoner has on exhibition in Edmond Cornelius' real estate office, a mammoth sunflower stalk, which measures 13 feet and 4 inches, and is 6 1/2 inches around at the base of the stalk. A Bannana muskmelon is also on exhibition, which is something new in this section. They were raised on Mr. Reasoner's farm, near town.

The Hillsboro Shire Co. sustained a severe loss last night, in the loss of their fine \$3500 English Shire, Tansor Prince. The big stallion died at Fred Hamel's place, near town, after a short attack of colic. The animal was purchased last Spring, and was a fine specimen of the breed. Only \$1000 insurance was carried on the animal, and the loss will be divided between several stockholders, who live in this county.

Richard Kulisch, a young man of Portland, became deranged and violent, one day this week, and threw a soda bottle through a window of Smith & Kulisch's store, north of Reedville. He was taken to Portland by a brother. It is not known what caused the young man to become mentally unbalanced.

C. E. Hurst, who lives on the B. P. Cornelius place, above Mountsindale, had a \$250 horse accidentally shot, about a month ago, by hunters. The horse is under the care of a Forest Grove veterinarian, and it will be several months before it is able to work. There is too much carelessness in hunting.

Frank Williams and wife, John Sewell, wife and daughter, and Miss Lucy Weathered, the latter a guest of the Sewells, returned home from a month's outing at the Tillamook beaches, last Sunday. Mr. Sewell says that good bottom land dairy ranches over in Tillamook are held at fancy prices, by the owners, who ask all the way from \$100 to \$200 an acre. They say they have green feed on their places for their dairy herds nine months of the year, and all who have cows are making good money, hence hold their land high.

Fanno, of Portland, formerly of near Beaverton, and a prominent onion grower in this county, was elected President, and J. N. Miller, of near Hillsboro, was made Secretary. John Nyberg, of Tualatin, became Treasurer, and B. J. Leedy, of near Tigardville, 1st Vice President.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Hillsboro Citizen Can Afford to Ignore

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and scanty, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's the Hillsboro proof: Mrs. L. A. Whitcomb, living on Hillside, Hillsboro, Ore., says: "I had been

trouble for a long time and as a result of this trouble I endured a great deal of misery. My kidneys were too frequent in action and gave me great annoyance especially at night. As a result, for the loss of rest, I would arise in the morning feeling tired and worn out and when I attempted to stoop or to lift anything, the sharp pains would pass through the small of my back and I would suffer intensely. I took two or three different remedies, but did not find relief. At last my attention was drawn to Doan's Kidney Pills, and I procured a box. My pains and aches soon vanished, my kidneys are regular and normal and I have not had a return of any trouble since. I can recommend Doan's Kidney Pills very highly."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
