SFLOWERS 16 FEET IN BEIGHT

ne Boys Bave *plendid Agriculturul Exhibits in Competition

be interior of the agricultural and rticultural pavilion is good to It is under the man-Frank Keleny, Jos. anell and F. J. Williams, and first things that attracts one's ention are the mammoth squash-No fair is complete without squashes. Two of these each ub 110 pounds, and there are any varieties. The agricultural hibit principally consists of five parate exhibite made by farmer who are competing for the not cheet offered by Arnold showmon, for the best exhibit, boys under a certain age. The hibits comprise grain in the at in sacks, fruit, vegetables, ton, Ore, R. 2 and are much admired by the ne crowds in attendance.

All the exhibits are from near illsbore, the farthest exhibitor at Banks. Chas. Grabel ex two crops of altalfa, raised ririgation, one cut June 15th d the other on July 27th. D B oper has a sunflower over 16 tall and some new banana satmelons that look good. A adereon shows field corn 15 feet Mrs. John Gates exhibits s ip that weighs 6 pounds. Peter her has boxes of Kings, Red heek Pippine, Northern Spys and evensteins that are beauties: ber exhibitors, whose names are boro. s known, also have fine exhibits apples, pears, grapes, etc., which to wear blue ribbone. All in the exhibit is fine though somehat lacking in vegetables, owing the freak frost of last week.

OPENING OF THE BIG STREET FAIR

Driving of Golden Spike Main Event of Day

Speechmaking and Other Joyful Dem onstrations Occur

opened Wednesday at 10:15 when C. P. Wunderlich, one of the Dr. F. A. Bailey welcomed the large throng present in a five minutes address, in which he briefly reviewed the progress of Washington county. He spoke elequently of the county's future, and declared that its prosperity as a county had come to stay, and that this was no place "for the kicker or knocker Old methode had given way to new ones, and the era of improvement the part of the people. He was followed by Postmaster B. P. Corover the new line to the golden and others. W. S. Tucker, of near Reedville, spike ceremonies. In behalf of the

> The balloon ascension, the first of a series during the fair, was pull ed off without accident, and attracted a large crowd.

At 2 p.m. Wednesday a crowd number to witness the incoming of the first electric car that ever entered Hillsboro Promptly at 2 o'clock, according to program, the car was sighted. There it comes," was the glad shout. Then as it and let us explain.

Thirty seven years ago the golden spike was driven in the Oregon & Califorms railroad at this place which gave us our first public transportation facilities. P. R. & N. track Wednesday, and Lack of transportation has kept the West Side in the background. We have grown from now on toward Cornelius and until we need greater transportation facil ities. This the Oregon Electric has fur nished as and we want them to know We sell more wire fence than all that we appreciate it. Let us hope that our interests will be mutual in the years

Attorney Kerr, of the Oregon Electric ompany, was the next speaker. He spoke of the aims of his company, which was intent upon building a network of Misses Cecil and Edith Brogden electric lines over the Willamette valley and of building up a great corporate buson the hearty welcome given the com-A check, indorsed for \$28, was pany by the people of the West Side.
