VOL. XV.

HILLSBORO, OREGON, OCT. 22, 1908.

NO. 32

A CRIME TO WEAR BUTTON AT POLLS

Extracts From the Fool Cor-
rupt Practices Act

CRIME TO GIVE BUTTONS AWAY

Fine and Imprisonment May be Year
Fines

One of the most idiotic laws ever passed by the people is the Corrupt Practices Act, which the people voted in at the last June election, without fully knowing its provisions. The title—"Corrupt Practices Act" caught the voters. Following are some of the provisions, which will affect wearers of campaign buttons at the polls:

Section 32. It shall be unlawful for any person to pay another for any loss or damage due to attendance at the polls, or in registering, or for the expense of transportation to or from the polls. No person shall pay for personal service to be performed on the day of a caucus, primary, convention, or any election, for any purpose connected therewith, tending in any way, directly or indirectly, to affect the result thereof, except for the hiring of persons whose sole duty is to act as challengers and watch the count of official ballots. No person shall buy, sell, give or provide any political badge, button or other insignia to be worn at or about the polls on any election day.

Section 34. It shall be unlawful for any person at any place on the day of any election to ask, solicit, or in any manner try to induce or persuade any voter on such election day to vote for or refrain from voting for any candidate, or the candidate or the ticket of any political party or organization, or any measure submitted to the people, and upon conviction thereof he shall be punished by fine of not less than five dollars nor more than one hundred dollars for the first offense, and for the second and each subsequent offense occurring on the same or different election days, he shall be punished by fine as aforesaid, or by imprisonment in the county jail for not less than five nor more than thirty days, or by both such fine and imprisonment.

CUT QUITE A SWATH

A painter, passing by the name of R. C. McLain, arrived in Hillsboro about the first of the month and endeavored to cash a check of \$1200, drawn on a bank at Claremont, Iowa. The bank, however, refused to cash the paper, but instead took it for collection.

This seemed agreeable to McLain, and to show that he was all to the good, he rented a house and ordered several hundred dollars' worth of furniture, having it delivered at the rented property. He also bought on credit a lot of rough lumber which had been used in the street fair and had one load of it moved.

McLain suddenly disappeared, and, shortly afterward, word was received from the Iowa bank that the officials of the concern knew no such man, nor had he any money on deposit subject to check, or any other assets in its keeping. McLain was here about two weeks and received but \$15 on his representations, and part of this he left in the town. His present whereabouts is unknown.

place in this county on the 9th
inst, when E. E. Lytle sold his
interest in the Hillsboro Lumber
Company to J. C. Hare, for \$14-
000. The mill is now running on
full time. Mr. Hare is well ac-
quainted with the sawmill busi-

together with railroad contracts
will keep the mill busy.

P. R. & N. GRADED TO THE 25 MILE POST

Track Will not be Laid Be-
yond 20 Mile Post in 1908

VIGOROUS WORK NEXT YEAR

Road Will Carry Mail for Vernonia Peo-
ple Next Spring

From C. E. Lytle, manager of the
P. R. & N. road, it is learned that
grading has been completed to the
25 mile post from Hillsboro, west-
ward. Bad weather may soon stop
the grading, but good weather will
be taken advantage of as long as it
lasts by the contractors, who are
anxious to get as much done as
possible this year. Track will not
be laid beyond the 20 mile post,
this season. When the steel is laid
to the 27 mile post next Spring, it
will intersect with the Vernonia
and Forest Grove mail route, and
mail can then be delivered to the
Vernonia people at least 24 hours
earlier than they now get it via St.
Helens to Vernonia. A route will
probably be established from this
point, when mail begins to go for-
ward by the P. R. & N., and should
be a great convenience to the Ne-
halem people, who live in the vic-
inity of Vernonia. The distance
from the 27 mile post to Vernonia
will be about 10 miles, and a daily
swing route will probably be estab-
lished from that place to the rail-
road.

BRIANS—VANDEHEY

At the Church of Visitation, near
Forest Grove, a pretty wedding was
solemnized Monday, October 12,
when Miss Bartha Vandehey and
Mr. Harry Brians, of Salem, were
married by Rev. Father Moore, of
Salem. The bride, becomingly at-
tired in cream silk and carrying
bride's roses, was assisted by her
sister, Miss Clara Vandehey, in
cream net, carrying white carnations.
Mr. William Vandehey, the
bride's brother, acted as best man.
A reception followed the ceremony,
at the home of the bride's parents,
where breakfast was served. Only
the immediate family and a few
friends were present. Mr. and
Mrs. Brians will make their home
in Salem.

The Hillsboro Lumber Company
started its big mill yesterday, cut-
ting on an order for the Pacific
Railway & Navigation Company,
for the Tillamook line, on which
Contractor McCabe is now putting
through a 14-mile contract. The
logs are hauled on the railway from
a point 12 miles in the mountains.
The P. R. & N. Company will this
week place a new engine on the
Buxton end of the line, for use in
tracklaying and hauling material
to the front.

A number of teams belonging to
contractors on the United Railways
will be kept at the Barlow place,
north of town, this winter. It is
reported that an agent of the con-
struction company engaged in
building the United, this week of-
fered a farmer on the North Plains,
\$28 per ton for oats, in bulk, the
buyers to furnish sacks and fill
them. This is \$3 over the market
price. The buyer stated that the
oats were for horses which would
be wintered on the Plains, where
they will be close to the scene of
grading, when it begins next
Spring. This would indicate that
the United means to do some work
next Spring.

STEPS ARE TAKEN TO FORM A COUNTY FAIR

Ways and Means Committee
Appointed at the Meeting

MAY SECURE OLD FAIR GROUNDS

Permanent Organization Will be Held
on October 31

The meeting here last Saturday
called for the purpose of organizing
a county fair board was well at-
tended by farmers and stockmen.
Temporary organization was per-
fected by the election of William
Schulmerich, of Farmington, as
president, and Grant Mann, of
South Tualatin, as secretary. After
discussion, it was decided to ap-
point a committee to resolve upon
the amount of capital stock, and to
provide ways and means, and to
report at a convention to be held
October 31. The following were se-
lected:

The committee will confer with
the heirs of the Trogus estate and
ascertain what terms will secure
the old fair grounds, used years
ago for county fairs, and on which
is an excellent mile track. They
will also confer with the members
of the County Court to ascertain
what public aid will be given the
enterprise. Permanent organiza-
tion will be perfected at the coming
meeting.

HOW THIS COUNTY WILL GO

John W. Connell, chairman of the
Washington County Republican
central committee, states that in
his opinion Taft will have a plural-
ity over Bryan in this county in
the neighborhood of 1600. He says:

"The county has many new
home-seekers and the majority of
them are for Taft. Four years ago,
Roosevelt's plurality over Parker
was 1765. I am aware, however,
that half of the Democrats voted
for Roosevelt in 1904 or refused to
vote at all. I hear of no changes
so far as the old residents are con-
cerned, and I think that 1600 plu-
rality for Taft is conservative."

John M. Wall, secretary of the
Democratic committee, thinks that
Taft will do well if he shall have
800 or 900 plurality. He bases this
estimate upon the belief that many
independent voters will this cam-
paign go to Bryan.
