The Oregon onion market is looking up. As most of the Oregon onions are produced on the beaverdam land of Washington county, the price of onions affects Washington county people more than all others in the state. The Confederated Onion Growers of Oregon met in Portland last Saturday, and discussed the outlook for prices, and s large majority of the growers took a hopeful view of the situation. It Dated at Hillsboro, Ore , Dec. 8, is believed that better prices will prevail. Growers in Oregon no fornis growers. The yield this year Three horses, can be seen at Hills-teaching and preaching.
