## GOOD NEWS

Many Hillsboro Readers Have Heard it and Profited Thereby

"Good news travels fast," and the thousands of bad back sufferers in Hillsboro are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had no more. I paid much attention to it. However, a heavy cold which I contracted, was the means of bringing my trouble to a climax. Dull pains across my loins and through my back caused me the most intense suffering, and if I did any work that required me to over exert myself, my condition was much worse. I noticed a convincing testimonial in the papers concerning Dean's Kidney Pills and this led me to try them. The results of their use were highly satisfactory. I was so completely relieved that there has never been a return of my trouble since."

For sale by all dealers Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Dean's and take no other.

The S. P. and Electric trains are daily bringing lots of people to Hillsboro. Many of them are strangers, who are looking at the town and surrounding country with a view to locating. Businesses are getting mighty scarce in Hillsboro, and some building will have to be done, if new businesses are to be accommodated.

The new government map has been received at this place. Hillsboro, as the county seat, is indicated by a big black dot, and large bold type which is easily seen. As an advertisement, it will do us much good. The report, however, that Hillsboro had a "stand-in" with the government, to get such prominence on the map, is without the least foundation.

Byron Grim, a pioneer of 1847, and who lives at Marion County, is here, the guest of his sister, Mrs. M. Schnur. He has not been in Hillsboro for over 30 years, his last trip being when he was Sheriff of Marion County. He sees a great change and likes the way things look. He may locate here in the not distant future. He was accompanied by Mrs. Grim.
