OREGON ELECTRIC CO. TO SPEND \$200,000 of

In Ballasting Roads and Other Improvements This Year town Monday.

BILLSBORO BRANCH GETS MOST us, was a county sest visitor Tues-

New York Directors to Visit Oregon in

a Few Days

New work for the present fiscal year on the Oregon Electric amount ing to between \$150,000 and \$200,-000 has been approved by the di rectors in New York, and General Manager Guy W. Talbot has given

the improvements at once. The money will be expended largely in "cleaning up" work left Borwick, It miles north of Reedfrom the first year's operation of ville. the new line. It includes some new equipment, new stations, ballasting work and the laying of about four miles of industrial and sidetracks. Announcement was also made Tuesday that the Postal Telegraph company will begin operation over both the Salem and Forest Grove divisions of the Ore-

gon Electric this week The largest item in the budget is for the full ballasting of the Hillsbore-Forest Grove division. When sure enough. If this old super-completed last winter this division stition holds good, it is due to go the jail floor. He was taken to the was partially ballasted, but was out "like a lamb," which is a con- Asylum Monday night by never put in "Class A" shape with summation devoutly to be wished. guards from that institution rock ballast that the main line is

equipment of two baggage care, with streets. 125 horsepower motors, so that these cars will answer the purpose of locomotives and be able to hau! trains of four or five cars each; the wiring of all shelter stations so that they will be lighted by electricity; stringing 10 miles of additional laying of drain pipes, new crossings | miles northeast of Hillsboro. and similar improvements.

pany will probably be in Portland a caller Monday, and states that the middle of this month, when the talked of extensions to Eugene and other points will be considered.

PUBLIC SALE

The undersigned will sell at public sale at his ranch six miles east of Hillsboro, on the Base Line Road, near Mortondale station, at ten o'clock a m , on

THURSDAY, MARCH 18

Gray horse, 12 yrs, 1300; bay horse, 4 yrs, 1300; black horse, 12 yrs, 1200; bay horse, 12 yrs, 1000; good milk cow, fresh, 6 yrs, new Mitchell wagon, new Mitchell z-seat back, Studebaker top buggy, set double harness, 14 foot hayrack, 12-in.
