J. K. Parrish, 204 E. Oak St., Portland, Ore., says: "I think just as highly of Dean's Kidney Pills today as I did over three years ago when I endorsed them publicly. Kidney complaint made its appearance in my case so gradually that it was some time before I paid much attention to it. However, I never could which I contracted, was the means of bringing my trouble to a climax. Daily pains across my loins and through my back caused me the most intense suffering, and if I did any work that required me to over exert myself, my condition was much worse. I noticed a convincing testimonial in the papers concerning Dean's Kidney Pills and this led me to try them. The results of their use were highly satisfactory. I was so completely relieved that there has never been a return of my trouble since."
