CARDINALS BEAT THE VISITING BALL TEAM

People Clothing Team of Portland Not in it

THE SCORE WAS TEN TO FOUR

Easy Marks for the Local Swatmen, at Athletic Park

Hillsboro Cardinals, 10—Peo. Clo. 4
This is the result of the game Sunday at Athletic Park, and while the visitors were not able to find Williams or Alexander to any extent, it was a pretty game. Only in three innings did the People Clothing nine have a look in—one in the 4th, 2 in the 5th, and one in the 8th. In the 4th, 5th and 6th the Cardinals made no scores. In the 1st inning Williams was not found to hurt, and the side was retired with but four men at the bat. Batchelder was the first up for the cardinals, and he was thrown out at first on a hit to second base, and Phelps went the same route. Houston went to first on a pass and Wilkes lined one out to center, scoring Houston. Tom Williams then batted into the left fielder's hands, retiring the side.

In the second Moore went to first on a pitched ball, but was later thrown out on a steal to second. Fitzgerald went out on the third strike, leaving two men down. Smith passed to first on balls, and Nick Williams followed. Smith stole third and Williams second and both scored on Phelps hit, the batter being thrown out at third. In the third Houston went to second on a sizzler and Wilkes advanced him to second, making first ahead of the throw. Tom Williams advanced them to third and second and Roy Moore smashed one to deep left and scored Houston and Wilkes. Fitzgerald hit to short and was thrown out at first. Smith hit to the pitcher and there was no scoring until seventh inning. In this inning Batchelder hit to second and beat the throw to first; Phelps made a dandy hit and scored, Batchelder ahead, on a wild throw. Houston went out on a foul catch; Wilkes flew out on throw to first; Tom Williams made first on a hit over short, when Moore rapped out a two-bagger, advancing Moore to third, when Fitzgerald fanned, ending the inning. In the eighth Smith hit to deep center and beat it to left, Alexander hit to the pitcher and was out; Batchelder hit it out and Smith made a somersault slide home, scoring. Phelps then cracked the sphere to right field, scoring Batchelder, going out himself. Houston hit to third base and was thrown out at first, ending the Cardinals work for the day, except to give the visitors their half. Alexander, pitching since the seventh, then fanned two men, walked one, another flew out to first and the game ended.

We have now finished our run of Building Blocks and have a good supply on the yard. We will have a supply of brick on hand by the 20th of June. We will begin our run of large tile, 10 inch and over, about June 15. Parties wanting these sizes must order them by July 1, as we cannot afford to carry them in stock, so do not blame us if we have none when you call for them later. We expect to have a full stock of smaller sizes the latter part of July. We have 3 in., 4 in. and 6 in. on hand at present. Phone, before you come for tile, as this stock may be out any time. We burn our tile and brick hard, as wood is no object with us. Don't forget that we carry a good line of rough and dressed lumber, and can fill any ordinary bill from our yard stock. We also have a quantity of lumber at Hare's switch that we will sell at a very reasonable figure, 1x4, 1x6, 1x8, 2x4, 2x6 and 2x12 of different lengths, all surfaced and sized, except the 2x12. This is all good lumber and is all stock, so it is very dry. If you can use lumber of these dimensions it will pay you to look it up—Groner & Rowell Co.

LYTLE ROAD BEATS SUIT TO RECOVER

Administrator of Alex Aggeles Estate Gets Non-suit

MULTNOMAH COURT BEARS CASE

Wanted \$7,500 for Death of Greek by Powder

A jury in the Multnomah County circuit court last week was instructed by the presiding judge to give a verdict in favor of the defendant corporation, the P. R. & N., the Tillamook line leading out of this city, as against M. Apach, administrator of the estate of Alex Aggeles, suit for damage in the sum of \$7,500, the plaintiff alleging Aggeles' death was due to negligence upon the part of the defendant company. As no one was near but Aggeles when the explosion took place the plaintiff could show no negligence and the court instructed that the company could not be held, as death may have resulted from carelessness upon the part of the dead man.

The Argus of March 14, 1907, published the following, which explains the case to a nicety:

"Alexis Aggeles, a Greek, employed by the P. R. & N. at the tunnel, above Buxton, was blown to atoms, yesterday, while working as a 'powder monkey' Aggeles went to the powder house to get a box of giant. He entered the shanty, which contained two boxes of the explosive, when an explosion was heard, and the Greek and house, together, were hurled many feet. There is no way of knowing just exactly how the explosion generated. Dr. F. J. Bailey, who happened to be near the tunnel, picked up the scattered remnants of the dead man and Coroner Brown went up today, to investigate the affair."

John Fisher, who bought the Ulrich Haas place a few years ago, was in from West Union, Saturday, and says he has a fine crop on the farm, but that his fruit will be light.

C. Boy, of Bethany, came in Saturday, moving Ralph Wann and family to Cornelius. Mr. Wann has been teaching the Bethany school and is engaged there for the next term.

Joe Carse, of North Plains, and who has 21 acres of fine hops, was in Friday, enroute to Laurel. He thinks he will get good prices this year, owing to the fact that figures on hop contracts are up to what they were a year ago.

Taken up: At the McFee & Ennes mill, red Durham cow, with small bell, and large horns; also yellow Jersey heifer.—J. J. Hayward, Cornelius, Route 2, Ind. Phone, Line 9, No. 552. 15 7

Frank Keenon, who has seen 24 seasons on the ridge north of Glencoe, was in Friday, and says prospects for crops are good up his way—all excepting hay. He says that potato planting will be on from now on until the Fourth of July.

R. W. McNutt, of Cornelius, and who has done business in that bailiwick for many years, barring a few years of residence at the Grove, was down to the hub, Friday, accompanied by Fred Schoen Sr.

Under date of June 12 Emil Kuratli writes his brother, J. C., that he and his wife were on the high sea, on the Cincinnati, a Hamburg—American liner, and that as yet the denizens of the deep had not been regaled with his breakfast. In other words he had not been seasick.

John Peugh, who bought the Wm Adams place, near Mountain Dale, and who got a dandy bargain, was in Saturday, with a load of telephone poles. Mr. Peugh came here from Wasco, Sherman County, and says Washington County is quite good enough for him, even if this is a sort of off year, in a way.

Farmers, take notice: Will sell or trade for goats: Three head graded Jersey cows; one 7 years, due to freshen Dec 14; one 10 years, due to freshen Oct. 13; one 14 years old, due to freshen Dec 17; all now giving good flow of milk, test of 48 per cent. Four and one-half miles west of Banks.—F. W. Pribnow. 15 6

It now looks as though Harriman will take over the Central Oregon—DesChutes survey, and if he shall, it will mean several thousand dollars to the widow of the late W. F. Nelson, who, with his fellow-company, owned the profiles and fieldnotes. Mrs. Nelson is a sister of the McCourt boys and Mrs. Joe. Downs and Mrs. Chas. Koontz, of Hillsboro.

I. P. Vannoy, of Dilley, was down Saturday, getting mower repairs, and states that he could get them nowhere else in the county for his particular machine.
