There are two sides to the San Francisco graft deals While those who took bribes should be imprison ed, those who gave bribes should not be immune. It is well enough to say that the corporations were held up-but as a matter of fact they were trying to get valuable franchises at a time of travail, for little or nothing.

Old Washington County, even if it be a drouth year, has all of the valley counties beaten on production. Be glad that you are here.

Take a day off and go to some Fourth of July celebration. It will do you good.
