DID IT EVER Occur to You?
"I paid that bill once." "You must be mistaken." "Indeed, I am not mistaken." "Have you a receipt?" "It seems to me that I have, but I don't remember what I did with it." "We have no record of payment, and unless you can produce our acknowledgment in the way of a receipt, we must insist that you pay the account."
But it might have been a different story had the bill been paid with a check on your bank. No chance for argument or dispute when the cancelled check is produced. Better pay your bills but once—with a check on this bank.
