

THE HILLSBORO ARGUS.

A PIONEER DINNER AT TUALATIN SUNDAY

Three of the Early Pathfinders Celebrate Old Times

QUESTS OF DAY OVER 80 YEARS

Entertained by Mrs. John Sweek, Pioneer of 1852

Three of Washington County's earliest pioneers enjoyed a dinner at the John Sweek home, Tualatin, Sunday, Mrs. John Sweek being the hostess, and herself one of the pioneers. Mrs. Sweek came to Oregon in 1852. Her husband was well known all over Washington County, and her two pioneer guests were C. W. Bryant, aged 83 years, and who settled near Tualatin in 1853, and Edward Bryson, aged 82, who crossed the plains in 1851, settling at the same place. These two old beans were at Tualatin when that section was a wilderness, and they went to many a dance in the olden time.

Old times were talked over and the trio deplored the absence of Isaac Ball, also a pioneer of 1852, and who lives next door to the famous Sweek home, but who was indisposed, and unable to attend the dinner.

Mr. Bryant was around Hillsboro in 1854, and built the 8-sided barn which stood so long on the J. S. Griffin donation, a mile from this city.

Alex Sweek, son of Mrs. Sweek, was at home enjoying the day, and an Argus reporter happened to drop in on the little party who are drifting down the hill of life.

MRS. ELMER FLECK

Mrs. Maud Fleck, wife of Elmer Fleck, died at her home three miles south of Reedville, the last of the week. Mrs. Fleck was a daughter of Mr. and Mrs. J. H. Morton, and was born at Ellsworth, Wisconsin, 26 years ago. Her parents came to this state a few years ago, and settled near Reedville. Her kind and gentle disposition won her many friends, and the funeral services, held at the church on the hill, was attended by a large concourse of friends, Sunday, April 3. Rev. I. C. Knight, of Hillsboro, conducted the funeral services. Three weeks ago a child was born to her, and she gradually grew weaker until death came, Friday morning. A husband, well known in that section, three small children, a father, mother, three brothers and four sisters, mourn her loss.

J. E. Borwick, the Reedville merchant, was in the city Tuesday morning.

Hillsborites would be surprised to see the great development on the line of the Oregon Electric between Garden Home and Tualatin. A visit in that section Sunday was an eye-opener. New homes are being built everywhere, and land is selling at double the prices that prevail up this way. Tigard, close to the old town of Tigardville, is quite a likely looking station, and Tualatin has grown three times since the line went through. Many new buildings are noticed, and the J. L. Smith brick and tile industry is a credit to a town of several thousand.

I represent the Spirella corset. Make selections in your home, where accurate measurements can be taken, and you get a corset to meet the requirements of your figure. Send postal card, or phone call for appointment.—Mrs. M. E. Caudle, Hillsboro, Oregon, Fifth and Jackson Street. Independent telephone, 584. 3-14

Sunday, April 10, will be a great day at the Christian Church in Hillsboro. Prof. D. C. Kellem, of Eugene, a preacher and Evangelist of unusual power and pulpit ability, will speak both morning and evening. Mr. Kellem is instructor in Homiletics and Oratory in the Eugene Bible University, and is a splendid speaker. Don't miss this opportunity of hearing him. Bible school at 10 a. m.; morning sermon at 11; Junior at 5 and Senior Endeavor at 7 p. m.; evening services at 8 o'clock. You are wanted at all these services.—Marion F. Horn, Minister.

Ben Haines, of East Hillsboro, has a sextet of Buff Leghorn hens that are entitled to the championship. He says that no other hens can get into the yard to deposit eggfruit, and yet, one day last week, the six laid eight eggs. The Argus knows that Ben isn't given to joshing, and as he says there were no "left-overs" in the bunch, his word is considered as good as a bond.

John Reichen, of West Union, was in town Monday, transacting business. Mr. Reichen says that the split-log drag has been doing good work out his way, and he believes that if it were universal used it would mean much toward the solution of better winter roads in Washington County.

Dajrymen attention—The undersigned has for sale some registered Jersey bulls, yearlings, and a few registered Jersey heifers, bred and unbred—as finely bred stock as can be found in the state.—Wm. Schulmerich, near Farmington, Ore., Hillsboro, Or., R. 5, Ind. Telephone. 1-6

H. W. Scott, the Forest Grove timber dealer, was down to the city Monday, on business at the court house. H. W. has done more crusing and sold more timber than almost any other two men in the county.

Shrubbery, roses, peonies, lilies, all kinds of plant flowers and plants. Cabbage and tomato plants. Celery and cauliflower. Also kale plants. For sale at the Campbell Greenhouse, Seventh and Fir. Ind. phone. 2tf

Solomon Lovewell, who lives in the Spencer house, owned by his father-in-law, C. Blaser, had to hustle to extinguish a fire which caught in his bedding, last Sunday. Some water, handy, saved the bed, and, perhaps, the house.

Four room house on Washington Street, on car line between Second and Third, lot 50x190, for sale.—Ernest Lyons, 2 miles northwest of Hillsboro. 51tf

R. L. Robinson, of near Farmington, was up Monday, and contributed to the Rest Room fund. He says that up to Monday morning he thinks the frost has not injured any fruit to speak of.

Hot coffee and doughnuts, pie, or cake at the City Bakery—10c. When you come to town, call in Main Street, opposite Shute Bank.

The Poverty social that was to have been held at the Grange Hall, Friday night, by the Y. P. S. C. E., has been postponed. Watch for further notice.

CARDINALS TO PRACTICE NEXT SUNDAY AFTERNOON

Manager Moore to Limber up his Team at Athletic Park

GAME CALLED AT 2:30 O'CLOCK

Electric Cars Will Stop at Ninth Street, Two Blocks Away

Manager E. L. Moore will have the Cardinals out for a practice game next Sunday afternoon, to get them into trim for the season's opening, April 17. The practice game will be with some locals picked up for the occasion and some of the Cardinals will be loaned to the opposing nine. The Oregon Electric will stop at 9th Street to accommodate the boys who may come down from Cornelius and Forest Grove. This car will reach Hillsboro at 1:55, and the tryout game will open about 2:30.

The regular game, Sunday, April 17, with the Maroons, will open at 3:00 o'clock, and the attendance should be good, as the Cardinals will have some work ahead. The Maroons are beating everything in sight, so far, and it will be up to the untainted to put up some good ball.

On this date—the 17th—an excursion will be run from Buxton and Banks. A second team—all of whom are Hillsboro and vicinity players—is to be organized at once, for the purpose of taking on county games, the majority of which will be played on Saturdays, reserving the Sunday games for the regulars.

A NICE DISPLAY

The Imbrie Land Co., in their new office on the ground floor, Second Street, opposite the Pythian Building, have a splendid display of what Washington County can do in the production of grains and grasses. The walls are festooned with some grand specimens of grain and grass, and the front window display, consisting of threshed grains in jars, can but have a good effect upon intending locators.

The little office presents a very attractive appearance and is so divided that confidential conversations can be enjoyed in the rear.

The Sheriff's office, by the end of the week, will have turned over to the county treasurer something like ninety thousand dollars, and the force will keep on figuring requisitions from this on and get the total cleaned up as rapidly as possible. If anyone thinks it is an easy task to make a \$25,000 turnover he would soon be disabused of the idea in case he would be given the job.

A travelling man tells a good story on P. R. Cooper, former operator here, and now agent at Carlton for the Southern Pacific. When he moved there it was impossible to get a house to rent, and he was installed in the Baptist parsonage. Shortly after supper one evening Cooper received a call from an elderly lady who tore into Mr. Cooper, with all preliminaries with, "I want you to come over to my house at once, and marry my daughter." Cooper was dumfounded, but managed to gasp out, "Why, my dear woman, I can't do it—I'm married now." "That doesn't make any difference," said the caller, "just bring your wife along with you." It then dawned upon Cooper that there was a mistake somewhere, and he was soon enlightened. The woman thought that a new minister had moved in and wanted him to officiate at a wedding. Cooper is still looking for another house.

LOCAL POST OFFICE STAMP SALE INCREASES

Sales at Stamp Window Exceed Seven Thousand Dollars

MEANS INCREASE OF PAYMENT

Over Eight Hundred Dollars of Gain for the Fiscal Year

When one stops to consider what it means to sell over seven thousand dollars worth of stamps, with the majority of the sales running from two to five cents, it must be adjudged and decreed that the Hillsboro stamp window has been having a strenuous time the past year. Postmaster B. P. Cornelius states that the stamp sales for the year ending March 31, 1910, exceeded those of the year prior by \$827.25.

This will mean an increase in the salary of the postmaster to the extent of \$100 for the year. The sales by months for the past two years were:

CHANGE IN BANKS' BANK

N. I. Burnett and L. F. Carstens have bought the interest of Mr. Myers in the Banks bank, the latter wishing to enter another field with his money. W. O. Galaway has been elected director in Mr. Myers' place, Mr. Burnett has been elected president, and Mr. Carstens vice president. The bank was organized a year or so ago, and has thrived nicely. Banks is in the heart of one of the best agricultural and timber regions in the county, and a depository should be a paying institution.

The gentlemen behind the bank at this time are all well known in their community, and, if integrity and good management go for aught the institution should be a permanent one.

"Strangler" Smith, the noted wrestler, of Portland, was out Monday, looking over the city with a view of locating here and entering some business. He owns Portland property, and says he will dispose of it and then locate in some town away from the metropolis. While in the city, he talked over the proposition of pulling off a wrestling bout for the benefit of the Fire Department gymnasium.

The Normal School question is fairly before the voters by the Initiative Bill for Monmouth. This separates it wholly from politics, and gives the voters a fair chance to express their choice. Schools are a necessity—we must educate the boys and girls—and we must have teachers. The Normal School is the place to train and prepare these. Vote, Yes, for Monmouth.—J. B. V. Butler, Sec. Com. 4-5

Dr. O. H. Scheetz, Chiropractic Spinologist, of Forest Grove, is a finely equipped exponent of the science. He has taken the course under D. D. Palmer, the discover and developer of chiropractic. All desiring freedom from pain and sickness should consult him. All diseases. Examination free. Next door to LaCourse Store, Forest Grove, Ore. 4-6

Geo. Hathorn and wife, Daniel Leisy and Dwight Pomeroy and wife were called to Portland the last of the week to attend the bedside of Isaac Leisy, the aged pioneer who formerly resided at Leisville, and who was last Saturday morning stricken with paralysis.

The rains of the last of the week interfered with farm operations to a considerable extent and prevented hundreds of farmers from finishing their Spring seeding. Had the good weather prevailed another week all would have been finished except those on the extreme lowlands.

Miss Elizabeth Briggs, of Dilley, was down Saturday evening and Sunday, the guest of Mrs. R. C. Vaught.

SPECTACLES For The Aged

I make a specialty of fitting spectacles on old folks. They oftentimes require particular attention and in most cases are harder to fit than younger persons, thus requiring the exertion of greater skill. Old folks are many times imposed upon in buying glasses, but I carefully remedy the old trouble or prescribe the correct glass, and see that it is put in a proper fitting frame.
