CARDINALS SHUT OUT PORTLAND MAROONS

Locals Get Together and Play League Ball, Sunday

ALDERMAN STRIKES OUT EIGHT
Visitors Never Got Farther Than Third Base

The Cardinals were in great form Sunday afternoon and played a shut-out game against the Maroons in the return game at Athletic Park. It was a great game for the fans, and shows that the Cardinals can play good ball when the boys have had a little practice. Clell Carsens was suffering from neuralgia and was unable to be in the game. Geo. Alderman, who was on first base the Sunday prior, pitched for the locals and his work was superb. He hasn't many curves, but he is a heady player, and the way he mixed them up for the visitors kept them guessing all of the time. His quick return of the ball fanned some of the Maroons' best latters and when he was hit little harm was done. Bert Wilkes played a dandy game at short, and Clay Freeman, on a try-out at first, was all to the good. One of the real fine plays of the game was made by young Briggs, for the Maroons, who fielded a fly with one hand, and had his back to the infield when he made this seemingly impossible catch.

The Cardinals scored only in the fourth and seventh innings, and all other innings, for both sides, were nothing but horse collars. The attendance was about 500, being under the opening day's attendance. Next Sunday the boys will take on the Albina Colts, and it is said that the visiting team is picking up some of the best Portland talent. They have a pitcher that is supposed to be a wonder and they are coming out with roseate hopes of a victory.

The dwelling owned by P. Le-fre, of Forest Grove, built several years ago by Mrs. Charles F. Miller, wife of druggist C. F. Miller, valued at about \$1800, caught fire Friday morning at 12:30 o'clock, and had it not been for the efficient work of the fire department, would have been a total loss. The fire originated in a mysterious manner several feet from the kitchen flue between the outside and inside of the studded wall. That there was no fire in the stove was shown by the presence of the kindling and wood placed there the evening before by the owner. The loss will be about \$150, which is covered by insurance.

Farm for Sale—Square 40 acre farm, with running water, all clear, good new buildings, 1-1/4 mile to Catholic church and school, 1-1/4 mile to district school, located 2 miles north of Forest Grove. Inquire Wm. A. Ver-boort, Forest Grove, Oregon, Route 2. 5-8

Martin Hanson, who owns a portion of the Bronson place, this side of Cedar Mill, and who came to Washington County from the Idaho country, was in town Friday, accompanied by Millwright Swanson, who has worked for over 20 years with Milton W. Bush, well known here and at West Union. Mr. Swanson owns a tract in the Belwood place, and both think that Washington County is one of the best locations in the state. Mr. Hanson is an old-time land leader.

Parties wishing their cemetery lots cleaned up and seeded to grass, or planted with flowers; or kept in shape the year round, should apply to Hiram Bennett, at race track, Ind. Tel., 102; can be called from 5:30 p. m., to 7:30 a. m., or at noon hour. Experience. 6-8

Mrs. Angie Hines Sweeney, aged 49 years, died at Forest Grove, Friday morning, at the home of her sister, Mrs. William Whitney. Deceased was born in Michigan, and is survived by two sisters in that state and one brother and one sister in Oregon. The funeral took place Sunday, under the auspices of the Rebekah lodge, and interment was in Forest View cemetery.

MEXICAN WAR VETERAN DIES AT FOREST GROVE

Newton J. Walker, Well Known all Over the State, Passes

CAME TO OREGON IN FIFTY-ONE Said to Have Been Number One on Mexican Enlistment

Newton J. Walker, Mexican War Veteran and Oregon pioneer of 1851, died at his home in Forest Grove, Friday morning, April 22, aged 80 years. Mr. Walker had been indisposed for several years. He was born in Bond County, Ill., Feb. 14, 1830. At the age of seven years his parents moved to Wisconsin. In 1847, he enlisted in the Mexican War, and at the close of the engagement that defeated Santa Anna, he returned to Wisconsin, where he finished his education. In April 1851 he started for Oregon with a party of 28 teams. They had no trouble with the Indians, and reached this state in the Fall. Mr. Walker driving a team for a David Newson, for his board, walking nearly all the way. He helped build the first log wharf in Portland—Couch being the owner. He remained in Portland until 1852, when he went to the Jackson County mines, remaining until 1854. From there he went to the Umpqua, where he bought 160 acres of land, and remained until 1857. Selling out, he went to Idaho, where he mined 10 months, with fair success. Returning to Douglas county he raised sheep for a time, and, in 1876, he settled in Washington County, near Gaston, where he bought 160 acres of land, a short distance from the postoffice. In 1884, he was married to Mrs. Eunice Brock, mother of Wilson Brock, who conducted a drug store in Hillsboro in the early nineties. Mr. Walker was a member of the M. E. Church. He is survived by Mrs. Walker.

Mr. Walker was a man of strong convictions and strength of character, and he had many friends among early pioneers, and the respect of the entire community.

THE COMET
On Wednesday, May 18, Halley's comet will appear in the Western sky, at a few seconds after 6:24 in the evening. Scientists are coming from the East, and will locate at Western observatories to take a look at the visitor. Scientists say that it will be at that time visible to the naked eye, although with glasses one can see it better. In all likelihood, however, it will not show up as nicely as the comet A-1910, as this was seen after darkness.

MILLARD LOWNSDALE LECTURES ON FRUIT

Tells Audience That we can Beat the World on Apples

BUT SAYS TREES MUST HAVE CARE Attendance Was not Very Large Owing to Busy Season

Less than a hundred attended the fruit meeting at the court house last Saturday afternoon, the small attendance being due to the fact that farmers were afield trying to get their crop in before another rain visits the section. Mr. Lownsdale gave a talk replete with information, and said that Washington County was a favored fruit section, but that trees must have care, and pests must be killed, if we are to gain and hold a place in apple culture.

He advised all to preach the doctrine of spraying for all evils incident to fruit growing. "Cut down the old apple orchards that are full of parasites," he said. He advised constant spraying, in season, for the San Jose scale, and warned against not keeping after the codling moth.

The speaker said that inside of ten years, with proper care, and with digging out the pest-infested orchards, the Willamette Valley would be in the lead of the orchard industry in the Northwest.

Mr. Lownsdale lived in Hillsboro when he was a boy, and says that he is pleased to note the wonderful progress we are making the last few years. He was accompanied to the meeting by Wilbur K. Newell, of Gaston, and who is a member of the State Board of Horticulture.

ALBINA COLTS
The Albina Colts, a snappy amateur team, will be here next Sunday to try honors with the Cardinals, and a good game is promised. By the way, have you noticed that the Hillsboro games are running closer on scores than the Tri-City games? Big scores and loose playing seem to characterize the league games, while those at Athletic park are always pretty close, with occasional shut-out games. Come out Sunday and see a good game.

When you buy an automobile, buy the best. Buy a machine with a reputation—a machine that has stood the test for years. Don't be deceived or misled by machines that are represented to be "as good as the Buick." Remember, when buying a machine from me, I spend time to teach you to operate and oil your car. Anyone wanting an automobile will do well to call and let me demonstrate what the reliable Buick can do—the car that has no equal for the money. Made in the roadster, two to four people, and the regular touring five-passenger cars. Built from 22 to 36 Horse Power.—F. E. Har-trumpf, Hillsboro.

The Importance Of Re-Examination
Eyesight changes gradually, and glasses that that might have been absolutely correct a year ago may be quite unsuited and positively injurious to your sight today. For this reason I advise an examination of the eye every two years. Should no change be required, you will be glad to know it. If, on the other hand, a change is advised, I can insert new lenses for you in your old frames at a very moderate cost.
