## FORMER COUNTY MAN KILLED BY TRAIN

Frank Piscacek, Instantly Killed  
at West, Texas

WAS WALKING ON RAILWAY TRACK  
Father of Mrs. Jacob Schneider and  
Mrs. J. W. Vandervelden

Frank Piscacek, well known a few years ago in the Blooming section, and who moved from here to West, Texas, was struck by a train a few weeks ago, near his home, and instantly killed. Mr. Piscacek was on the track, after one of his cows, when the train thundered by. Owing to his extreme age, he did not hear the engine, and he was instantly killed. He was 79 years of age. Twelve years ago he left Washington County for Texas, his son, Innocent, going with him. He was the father of Mrs. Jacob Schneider, of Leysville, and Mrs. J. W. Vandervelden, of Roy. Mr. Piscacek lived south of Cornelius several years, and was highly esteemed for his genuine worth of character.

His place in Texas was located in Kent County. Besides the two daughters here he leaves three sons, Emil, Antoine and Innocent, all in Texas, and an adopted daughter, Emily Gray, who formerly resided at Blooming, and went to Texas with the family.

They made Washington, D. C., New York, and then returned via Omaha, Denver and Salt Lake. In going East they went by New Orleans just to have lunch in the exclusive and famous hostelry, or restaurant, that has made New Orleans the centre of the gastronomic science. Mr. Goff reports a splendid trip, and says that he had a hard time to get Roe to return home, although he was that homesick that he talked of Oregon in his sleep.

When you buy an automobile, buy the best. Buy a machine with a reputation as a machine that has stood the test for years. Don't be deceived or misled by machines that are represented to be "as good as the Buick." Remember, when buying a machine from me, I spend time to teach you to operate and oil your car. Anyone wanting an automobile will do well to call and let me demonstrate what the reliable Buick can do—the car that has no equal for the money. Made in the roadster, two to four people, and the regular touring five-passenger cars. Built from 22 to 36 Horse Power. F. E. Hartrampf, Hillsboro.

I represent the Spirella corset. Make selections in your home, where accurate measurements can be taken, and you get a corset to meet the requirements of your figure. Send postal card, or phone call for appointment. Mrs. M. E. Caudle, Hillsboro, Oregon, Fifth and Jackson Street. Independent telephone, 584.

Joseph Hare, of Bismark, Dakota, accompanied by his wife, was a Hillsboro visitor, last week, visiting with W. G. Hare, Grant Mann, and the Mesdames Henrietta Morgan and O'Connor. Mr. Hare is retired from business, but still holds a directorship in three of the big banks of his city. He thinks we have a splendid section here, and is much pleased with Oregon.

I am not having a closing out sale, but here to stay. My goods are the best to be had, and prices are right. Therefore, if you are looking for a good place to trade, see Norman Greer, dealer in groceries, crockery, chinaware, graniteware and lamps.

Chris. Rocke, formerly Mine Host of the Commercial Hotel, writes for another year of the Argus and says: "I had hoped by this time to be back in old Oregon, and Hillsboro, but conditions have been such that it was impossible." Mr. Rocke will be remembered as one who made and held many friends while here. He is still running his hotel at Lincoln.

### LAI D TO REST

The late S. D. Powell was laid to rest in the Masonic cemetery, Sunday afternoon. The services were held at the Christian Church—the church in which he had held membership for 55 years. Rev. M. F. Horn preached the funeral sermon, and the large concourse attending testified to the general esteem in which the departed man was held. The floral offerings were profuse and beautiful—a fitting tribute to a man who in all his seventy-seven years of life never intentionally wronged a neighbor. His brother, Hon. Frank Powell, of Monmouth, and aged 81 years, was present at the obsequies.

The pall bearers were Peter Boscow, Francis Cota, Alonzo Sigler, D. McCamish, Louis Ennes and T. R. Imbrie.

### CARD OF THANKS.

The undersigned desire to thank those who so kindly rendered aid and sympathy during their recent bereavement, the death and burial of the late Stephen D. Powell, and especial thanks are tendered for the beautiful floral tributes.

Mrs. S. D. Powell and Children.

Barrett sawmill, near Middleton, was arrested Sunday, and lodged in jail, on the charge of abducting two small children, of whom he is the father, the mother and Hansford having been divorced in California. The court awarded the custody of the children to the mother, and she was living in the vicinity. While she was gone the other day, the father took them away, and the complaint followed. Hansford was taken before Judge Barnes Monday and bound over to appear before Judge Smock, of Sherwood, bail being fixed at \$1,000. As he was unable to give bonds, he was remanded back to the bastille. His hearing before Smock will take place within a few days.

## CARDINALS SUFFER THEIR FIRST DEFEAT

Baseball Luck Takes a Turn and  
Locals Stung 2 to 1

WILLIAMS STRIKES OUT TWELVE MEN

Colts Come With New Battery—Not an  
Earned Run Made

There was not an earned run made at Athletic Park, Sunday, in the return game between the Cardinals and Albina Colts, and the visitors walked away with the honors by a score of 2 to 1. The playing was very ragged on both sides and baseball luck went against the Cardinals from start to finish. Nick Williams was on the mound for the locals, and that he pitched some ball is shown by the fact that he struck out 12 men—a feat that has not been accomplished on the Hillsboro diamond for some years—reminding one of the days when Ward Downs was shooting his twists over the plate.

Williams walked the first man, who stole second. Some wild throwing scored the Colt, and from that time on the hoodoo was on the Cardinals. They scored, however, on errors, in the second inning, but that was the only time they could sing "Sweet Home."

Throughout the game, however, but two men were passed to first base, each pitcher having but one bad one to his credit. Kraus, the Colts pitcher, was the best visiting pitcher the fans have seen this year, but when seen that not an earned run was made by either side, and yet the score was but two to one, there was evidence of some good work, anyway.

B. P. Cornelius, chairman of the executive committee for the Fourth of July Celebrations, says: "Take it from me that Hillsboro is to have a big celebration on the Fourth of July—and we will outdo any effort of all the past. Arnold is contracted with to be here, and we shall have all kinds of special programs. On top of that you may announce that our annual street fair, which will follow this Fall, is to be the best exhibit ever shown in the county seat. We know how to handle these things and we are going to spare no expense to eclipse the fairs of the past."

Local crawfish men are again catching the delicacy for the Portland and Seattle markets. Buyers are paying twenty cents per dozen for the smaller and twenty-five cents per dozen for the larger fish. One man was out Monday night and in a short time caught 50 dozen of crays. Chas. Adams each year catches thousands of dozens, and generally ships to Seattle, where he gets the top of the market. The Tualatin is full of fine crawfish and the product annually brings in hundreds of dollars.

Emmanuel Fredericksen, of near Laurel, was in the first of the week, suffering from a slight attack of blood poison in one of his knees, caused by a slight abrasion. He is under the medical care of Dr. A. B. Bailey.
