

TWO CHIEF CITIES ARE SIDE BY EACH

Expected That There Will be but Little Difference

THE GROVE MAY HAVE MORE COUNT

Student Body Will be in Census Returns as Boarders

Close observers think that the census enumeration of Forest Grove and Hillsboro will be very close together, although it is admitted that Forest Grove will have the larger count, owing to the fact that there are a number of the student body boarding at the college city, who of necessity, under the law, must be in the enumeration. This is the only advantage the college town has over the county seat, if the school census goes for anything.

According to the enumeration of people between the ages of four and twenty, Hillsboro and Forest Grove balance each other. Each town has exactly the same enumeration drawing school money, and each town gets from Supt. M. C. Case the same school money as the other.

A press report from Forest Grove places the population at about 2,300, and while nothing can be learned from the census enumerators here, owing to the secrecy of their work, it is popularly supposed that the count will give Forest Grove a close run for honors.

If any person in Hillsboro has been overlooked they are requested to notify C. E. Diehman, or N. H. Alexander, Secretary of the Board of Trade.

MORTON - WHITCOMB

Mr. Edward R. Morton and Miss Meryl Whitcomb were united in marriage at the home of the bride's parents, Mr. and Mrs. L. A. Whitcomb, Wednesday evening, May 11, 1916. Rev. Frerich officiating. The bride was gowned in white organdie and carried a bouquet of white roses. The house was decorated with carnations and lilies, and the ceremony was performed under a beautiful floral arch. After the marriage, light refreshments were served to the wedding party. Only the immediate relatives of the contracting parties were in attendance. Mr. and Mrs. Morton departed for a short wedding trip, after which they will take up their residence in Hillsboro. The groom is the son of W. H. Morton, and has been salesman with the Schulmerich and Connell & Co. store, successively. The bride is well known here, having for several years been employed by the Washington County Telephone Company.

ONE MORE TO THEIR CREDIT

The Scholls Champions took the Kinton Colts down the line again last Sunday 10 to 5. E. Getter of Laurel, held the mound for the Champions, and O. D. Kirby was on the receiving end. Davies took the mound for the Colts but only lasted two innings, and the short stop was called to finish the game. Umpire Shamburg called the game. The Colts passed two men over the plate in the first inning and Scholls started their fireworks by passing six men over the pan in the second inning. Kinton followed with three scores in the third inning. After this the Champions continued to pass men over the plate at intervals, and the best the Colts could do was to reach third base.

It being a fine day there was a large crowd present making a very interesting game, considering the poor condition of the grounds. The Champions will play on the home grounds next Sunday with Redville. A good game is expected.

Memorial Advance Notice

The Memorial sermon will be preached at the Congregational Church, on the Sunday before Decoration Day May 29 by Rev. Evan P. Hughes. The Decoration Day program will be held in the Crescent Theatre, and there will be a program by the school children and addresses by local speakers.

Had a Splendid Programme and Good Attendance

VOTE TO GO TO CORNELIUS THIS YEAR

List of Veterans Present at Semi-Annual Convention

The semi-annual meeting of the Washington County Veteran Association was held at Cornelius, last Saturday, with a splendid attendance. Cornelius carried the day as the place of holding the annual re-union, which will be held in July. The drum corps, of Portland, were present and furnished music, and the program was splendidly arranged. There was a big dinner, speeches galore, and a general all-around good time.

The ballot for holding the re-union was: 80 for Cornelius; 54 for Hillsboro. Comrade R. Crandall, of Hillsboro, then moved that the vote for Cornelius be made unanimous. Comrade Auld moved that it was the sense of the meeting that statues of Gen. Lee or other Confederate officers shall not be placed in the hall of fame at Washington. As it was seen that this would take up much time the motion was withdrawn. The program was then continued, and it was voted to have the reunion on July 1, 2, 3. Cornelius promised the best entertainment possible and warranted the "old boys" a good time. The following resolution was adopted:

That Cornelius always at the front in honoring our Veterans Association has totally eclipsed all other occasions by their patriotic and heart-felt exercises of this year to be remembered day.

That this association extends to the citizens of Cornelius and the Dept. Commander and other speakers for their eloquent and patriotic addresses to this association—our sincere thanks and gratitude, and hope that one and all may meet Cornelius again in the reunion July 1st to 4th inclusive.

Resolved that we have been treated royally before, but never so well as this time—Again thanking this community we submit these resolutions.

James Stephenson, O. R. Downs, —Committee.

The Rosclair Brief

It will make a book of perhaps 100 pages, and exhaustively covers every contention of the defense. It is expected that within a few days the document will be in the hands of the Court, and then it will be but a short time until a decision will be reached.

However, it might be well to keep your optic peeled next Wednesday evening at the time designated.

K. O. K. A. WINS AGAIN

The K. O. K. A. "Stickers" won another game last Saturday when they defeated the Behnke Walker Business College team by a score of 4 to 3, but it took them ten innings to turn the trick. The teams were evenly matched, the contest was mainly a pitchers' battle, and the out fielders had little to do.

Nichols pitched a great game for the collegians, but poor support and good base running by the club boys lost his game. Gilenwater also pitched gilt-edge ball but was relieved in the 6th to give Fitzgerald a tryout. Fitz held them down for the remaining four innings without a hit.

SCORE  
K. O. K. A. r 4 h 4 e 6  
B. W. r 3 h 8 e 7  
Batteries: Gilenwater, Ford and Phelps. Nichols and Gleason.

The "Stickers" play the combined Forest Grove and Dilley high school teams at the Hillsboro Athletic park Saturday, May 14. This promises to be a good game as the game is for the championship of the county. Game starts at 2:30.

Mr. Simpson says that the apple crop will suffer unless he can get help to thin them out, as they are set heavier than for years.
