PIONEER OF FORTY-NINE DIES IN SOUTH TUALATIN

John M. Simpson Succumbs to Stroke of Paralysis

AMASON SINCE EIGHTEEN FIFTY-SEVEN

Had not Been Strong Since Runaway Accident Two Years ago

John M. Simpson, pioneer of 1849 gold hunter in California, and who was the victim of a runaway accident in Hillsboro, two years ago, died at the family home in South Tualatin, Friday morning, May 20, after an illness of several days. Mr. Simpson had never been quite well since the runaway accident, which happened during a thunder shower, when his team ran north from near the Commercial Hotel,

JOHN M. SIMPSON, PIONEER OF 1849

throwing him out at the Linklater residence, and in which he was badly injured. A few days ago he suffered a stroke of paralysis.

Mr. Simpson crossed the plains to California during the gold excitement and reached the Eldorado after an adventurous trip. He remained there until 1856, when he came to Washington County. That year he was married to Mary A. Stewart, who was born at Witch Hazel in 1848, and who died January 1, 1896. She was a daughter of Charles and Martha Stewart, natives of Missouri, and pioneers of 1840.

Mr. Simpson was born in Ash-tabula County, Ohio, July 23, 1828, and would have been 82 years of age had he lived until his next birthday anniversary. He has been a Mason since 1857, and at death was a member of Tualatin Lodge, Hillsboro. The following children mourn his loss:

Franklin H. Simpson and Mrs. Hester Johnson, South Tualatin; Mrs. Emma M. Bowly, Bull, Idaho; John M. Simpson, Cooper Mountain, below Reedville, and Mrs. Bessie Purves, of San Francisco, Cal.

The funeral took place Saturday, and interment was in the Lewis cemetery, near Farmington.

The dead pioneer was highly respected and his genuine worth of character endeared him to a wide acquaintance.

GOOD ROAD MEETING AT GROVE MAY 31

Morris W. Eldridge Will be the Principal Lecturer

ACCOMPANIED BY JUDGE L. WEBSTER

Will Ask for Road Awakening in Washington County

There will be a good roads meeting at Forest Grove, on Tuesday, May 31, and a large crowd is expected. Morris W. Eldridge, of the Department of Agriculture, will be present and deliver a lecture on the "Good Roads Movement." Mr. Eldridge knows his business, and his talk will be instructive, and to the point. He will be accompanied by Judge Lionel Webster, Chairman of the Executive committee of the Oregon Good Roads Association. Mr. Webster bespeaks for Mr. Eldridge a good hearing, and the chairman writes the Argus the following:

As representing the Oregon Good Roads Association I shall accompany Mr. Eldridge on his trip, and will speak with him at most of the meetings. I shall be in Forest Grove with him, and it will be a part of our effort to further the organization of a Good Roads Association in Washington County.

It seems to me the occasion of this meeting affords a great opportunity for your county to get actively in line in this great movement for the development of the state. I hope you may see your way clear to give publicity to this meeting, and that you will give it as much attention as possible. Let us get the people together; it is their work and their interest. All of this voluntary work so far as the people are concerned at least, and it will certainly be to their interest to take advantage of it. The very fact that the Government is giving this assistance to the work here ought of itself to afford great encouragement to our efforts in this state. Everything you can do to assist in giving the widest publicity to this meeting will certainly be in the interest of better roads, better conditions in every way, and will further the development of the state, and especially of Washington County.

The K. O. K. A. "Stickers" again slaughtered the Forest Grove "White Sox" on the Pacific University grounds last Saturday, by the score of 9 to 4. The game was well played, although the roughness of the grounds was the cause of several errors. The "Stickers" maintained their reputation by getting 10 hits, 3 of which were two baggers.
