It appears that the census takers are shattering the claims of many of our little cities in Oregon. There are scores of towns claiming four and five thousand which are now cutting down their estimates at least 50 per cent., and those who have been claiming the 3,000 class are getting back under the 2,000 wire.

From present indications there will be several nominees in the field for the Oregon governorship. Hon. James Withycombe is entitled to the honor of running again and his Washington County friends think that he is as well equipped, mentally, for the office, as any of his opponents.

With four or five railway lines running into Washington County, and a prospect for a big tunnel through the hill we will soon be suburban and rural—a delightful mixture of simple life and strenuous.

CHRISTIANS WIN

The K. O. K. A. "Stickers" suffered their first defeat of the season last Saturday, at the hands of the scrappy bunch of youngsters from the Christian Brothers College, of Portland.

The score was 5 to 4. Hughes was working in great style for the Catholics and held the home boys down to 6 hits. "Red" Gillenwater also twirled good ball, but hits at the right time gave the visitors the game.
