## PYTHIANS BEAT MASONS IN A SPIRITED GAME

Looked Like a Cinche for Masons Until Ninth Inning

BATTING RALLY SAVED THE K. OF P.

Good Crowd Witnessed Contest at Athletic Park, Monday

Calvin Jack Jr., managing the Masonic team, and Geo. Schulerich, handling the destinies of the Pythian nine, met at the Athletic Park in a baseball battle, Monday, and the game was a thriller from start to finish. The Masons played a little the better ball up to the last half of the ninth, when the score was 8 to 5 in their favor. In that half, when things looked as though the Masons had the game tucked away in their vest pockets, the Pythians raised a batting rally that ran over four scores and ended the battle. Gillenwater and Bunsen were the battery for the Pythians; Chester Alexander and E. L. Moore, for the Masons. There were plenty of errors and plenty of good playing. Carl Heidel batted out the hit that brought in the winning tally. Gillenwater struck out 13 and Alexander, 7. There was plenty of "fanning" in the grandstand, and each nine had its partisans there in force.

### THE MASONIC

Harry Ruppel played a good second, and his put out of Ward Downs, on first, catching him napping, was good baseball.

Catcher Moore worked like a Beaver and kept his trowel busy all the time.

Big Bill Schulerich smashed out one hit that was a daisy.

Shute and Simpson landed hits in the sixth that meant two scores for their nine.

Thos. Bailey played a pretty game at short all the time and his error column wasn't so bad either.

Chester Alexander worked hard, and but for that batting rally would have gone back to the hills with the game in the tool box of his engine.

Harold Merriman played at third, and says its a long distance to third base.

Burke Tongue worked like a Tro, an at 1st base and had six putouts to his credit.

Manager Jack is a good loser, but he says that he felt mighty good until things broke loose in that last half.

County Clerk Bailey went in for Ruppel in the 7th and had the pleasure of catching a fly from Bunsen.

### THE PYTHIANS

Carl Heidel slammed it out for the winning run.

Wilkes, of the Cardinals, says these practice games don't count.

Old Man Bunsen is some catcher himself.

Gillenwater struck out an unlucky number for the opposing team.

Ed Schulerich ran one over in the ninth and incidentally smiled at "Brother Bill".

Downs practically saved the game even if he did take a siesta on first base.

Applegate says the batters didn't treat him right. They should have knocked more flies to his territory.

Nelson's score settled the game.

Manager Schulerich now wants a try at the Forest Grove Pythians, and it looks as though he will be favored. Those Forest Grove fellows can take up a good team.

Fred Sewell pulled over the only score on the 7th.

### BIRTHDAY PARTY

A very pleasant gathering was a birthday party given at Blooming, by Mr. and Mrs. Henry Kamna, in honor of their daughter, Miss Tena, the occasion being in honor of her 17th birthday.

The evening was spent in games and music. Dainty refreshments were served at the midnight hour. Those present were:

Mr. and Mrs. Henry Kamna, Mr. and Mrs. John Kamna, Misses Betie and Lena Kamna, Arlena and Louise Krebs, Cecelia and Katie Hergert, Bertha and Sena Behrman, Beatrice Steel, Alina Kock, Lillian Herties, Annie Varnick, Dora Hulman, Rosie Kraemer, Edna Hogrefe, Lena Resse, Miss Adolph, Bertha, Tena and Anna Kamna; Messrs. ### Game for Sunday

Lovers of good baseball will have a chance to see a crack-a-jack game next Sunday, at 3:00, when the Catholic Young Men's Club, of Portland, will try honors with the Cardinals. This is said to be the snappiest young team in all Portland. Come out and see the game.

An old prospector, grizzled by years in the mountains, passed through with all his earthly belongings on a diminutive burro, Tuesday, enroute to the Coast Range, where he expects to find gold. He was led there by the story of a ledge supposed to have been found many years ago, in the mountains, south from the crossing of the Wilson River road to Tillamook. The old fellow says that the "break" of the mountain range is right to contain rich metal and he is going to see if there is any gold there. His name was John Frisbie and he mined for many years in the Idaho section, two or three times pulling out big stakes.
