### FESTIVITIES TO BE IN SHUTE PARK

Big Crowd Expected to Attend All-Day Exercises and Contests

The Modern Woodmen of Washington County are to have an all-day picnic and festivities in Shute Park, Hillsboro, on Saturday, June 11. There will be a fine program, good speakers, and games and contests of all kinds. All kinds of athletics will be in order and there is to be a big baseball game. From all over the county, people are planning to be in attendance, and the local Woodmen expect a record breaking crowd. A fence is being built about the park and other improvements are being made by the Park committee, and arrangements are rapidly being perfected to make the day—Saturday, June 11—a day long to be remembered in fraternal annals.

Arnold's showa are to be a feature of the day. If you want to be one of a big picnic, you are requested to not overlook this big M. W. A. event.

Many of the local merchants have given prizes for the winners in athletic contests.

### PIONEER WOMAN PASSES

Tualatin, Ore., May 30, 1910.—Mrs. Sonora Boone Cimino, a prominent pioneer woman who has resided for many years on a farm near this little town, after suffering from a lingering illness of many months, quietly passed away on the morning of May 22, leaving a family of three sons and one daughter, besides a host of friends and relatives, who will now miss her kindly smile and friendly greeting.

She was born at Boone's Ferry, Marion County, Oregon, July 15, 1852, and on January 24, 1869, was married to Vetal Cimino, also a pioneer and a man who was widely known and respected by all, and who was called away by the hand of death two years ahead of his wife. Mrs. Cimino has long been a faithful member of the Congregational church, and was also a member of Winona Grange, by which order she was buried with its very impressive grange burial ceremony.

### TWO STORIES OF BLOCKS

Jacobs & Landess now have a sufficient number of cement blocks ready to complete two stories of the Tamesie hotel and they expect to have the third story order ready within a very few weeks. They already have the foundation framed, and will start in a few days, with a big force, to put in the concrete foundation. They will force building operations as rapidly as possible, and, if not impeded by lack of material, which has long since been ordered, will have the walls going up in short order.

The boys are turning out a fine quality of cement blocks, and the first story turn-out is now ready to be laid, having sufficiently seasoned. Laying of the blocks will begin just as soon as the concrete foundation is laid and cemented enough to stand the pressure in good shape.

Go to Wyatt & Co., for the latest styles. We carry the Packard; the Bradley-Metcalf; the Utz-Dunn and the Hamilton Brown—the best makes and styles. See our display window.

Hon. W. N. Barrett arrived home from the East at 10 o'clock last evening, and was here in time for the funeral of his mother, the late Mrs. W. R. Barrett, who passed away last week. Mr. Barrett was brought out last night in the L. W. House auto.

When the kitchen is properly equipped there is sunshine in the house. Come in and see our Champion and Charter Oak ranges. They are the best. Emrick & Corwin.
