

# ACTIVE OPPOSITION TO CUT-OFF DEAL

Meeting at the Court House, Monday Evening, Starts Things

**EXECUTIVE COMMITTEE IS NAMED**  
Lively Interest Shown and Ardent Campaign Urged

A representative crowd attended the meeting at the court house Monday evening, which had been called to promote an organization to make a campaign against the loss of several millions in property to Washington County—embracing the land proposed to be set over into Multnomah. Dr. J. P. Tamsieie was called to the chair and Benton Bowman was chosen secretary. An executive committee of ten was appointed to devise ways and means to develop a campaign and in their hands will rest the destiny of the fight against the loss of the territory. The committee: Dr. W. D. Wood, chairman, Emil Kuratli, Ferd Groner, B. P. Cornelius, W. V. Wiley, W. N. Barrett, W. G. Hare, Thos. H. Tongue Jr., J. W. Goodin and Mayor A. B. Bailey.

Hon. W. N. Barrett made an earnest talk showing that much work must be accomplished or the loss of four millions in valuation might obtain. W. G. Hare, Dr. F. A. Bailey, Dr. A. B. Bailey, Dr. J. P. Tamsieie and Benton Bowman all made short addresses to the point. Ferd Groner, of Scholis, delivered one of his characteristic talks against the "cut-off," and A. N. Davies, of Kinton, who is inside the territory, also protested against the measure.

The committee will develop its work as rapidly as possible and active campaigning will start over the state as soon as things are shaped. Those who attended the meeting, as near as they could be listed were:

Dr. J. P. Tamsieie, Dr. A. B. Bailey, Dr. F. A. Bailey, Dr. M. Heidel, Judge Joseph Benton Bowman, S. C. Killen, E. G. Rice, Fisher, Rev. Styer, W. N. Barrett, Willis Ireland, Brad Building, Richard Collins, Fred and Carl Heidel, G. A. Larson, W. B. Bosow, Abstractor Johnson of Wilkes Book Co., W. D. Smith, J. W. Conneli, Postmaster Cornelius, Emil Kuratli, Dr. W. D. Wood, A. C. Donelson, W. P. Dyke, B. W. Barnes, Frank Kelsay, E. L. Abbott, Andrew Jack, W. V. Wiley, C. Heim, Wm. Brown, Leonard Tompkins, C. E. Weichman, W. M. McQuinn, T. S. Weatherford, Thos. Wilkes, J. A. Inghre, W. G. Hare, John M. Wall.

Those attending from the outside were Ferd Groner, A. B. Flint, H. L. Flint, Scholis, A. N. Davies, Kinton, Grant Mann Cornelius.

Judge Goodin stated that he believed that the real motive for people in the Eastern section desiring to get out was the call for permanent road work. He said they were willing to pay for them, but felt perhaps Multnomah would give them thoroughfares quicker. Mr. Goodin said he was opposed to division and could not see that it would be beneficial.

Ferd Groner opposes division and said that if it should pass it would be but a question of time until Hillsboro and Cornelius would be cut into Multnomah and the West end of the county swung on to Yamhill county—for we are small enough as we are. A. B. Flint spoke along the same lines with Mr. Groner. Mayor Bailey told the audience that he would give all possible aid and it was upon his motion that the executive committee was named to undertake education and publicity.

**WANTS ENDORSEMENT**

Hon. Jas. Withycombe, of Corvallis, was interviewing the delegates to the Republican county assembly, which will convene here Saturday. His friends will endeavor to have the convention give him their support, as he is considered a Washington County man. Mr. Withycombe says he is not averse to the primary law, but looks upon the assembly affair as nothing more or less than an advisory proposition. He states that he has some support in Multnomah county, and thinks if he shall get Washington County he may be able to get the assembly nomination. Failing to land the nomination at the state convention he says he will drop out of politics. He has many friends here, and as he has always received the opposition of the Multnomah machine he should be especially strong.

Naturally he wants the endorsement of his old home county, and it is thought more than likely he will get it when the clans gather, Saturday.

Mrs. E. V. Arnold and children, of Sellwood, arrived in the city yesterday, and went on out with Mr. and Mrs. J. L. Simpson, to spend a few days in the South Tualatin district. Mrs. Arnold is a sister of Mrs. Simpson.

On Tuesday William Johnson, a farmer aged 74 years, living three miles out of Forest Grove, was thrown from his buggy and sustained a severe cut on the head, and another on the shoulder, the result of a collision with a fence post. Mr. Johnson's horse was frightened by the C. A. Coolidge automobile. Coolidge, who is connected with the Oregon Electric in capacity of General Manager, was out looking over the country. He and his chauffeur took the unfortunate man to town where his wounds were dressed.

Right reserved to reject any or all bids. I. W. Handley, Clerk Dist. 38, Hillsboro, R. 4.

Owing to something going wrong with the pump at the power house the water supply has been somewhat limited at times in Hillsboro, for a few days. The trouble came just when people most wanted water for their lawns, and this extra drain on the supply told heavily. Supt. Gilmore says he thinks he has the pump in shape now to keep things going.

E. W. Moore wishes to announce that all persons owing him or the firm of Moore & Hoover are requested to call and settle at once, and so save costs of collection. He wishes to straighten all matters up immediately.

# SAVE UP GRAINS AND GRASSES, ETC.

Wanted for the big Street fair to be held this Fall

WANT TO MAKE A FINE SHOWING

Farmers Also Requested to Remember Fair With Fine Vegetables

Post Master Cornelius, who has ever been the moving spirit in shaping things for the annual street fair and carnival, asks all the farmers to take care of their extra fine samples of grains and grasses, as well as vegetables, for exhibit this Fall. Hillsboro has always had a splendid exhibit, but it could always be improved upon if farmers and fruit growers would calculate a little beforehand.

This is an exceptionally fine year for grain and for hay. To say nothing of the vegetable and fruit line.

Mr. Cornelius wishes to double the exhibit of last year, and if those who till the soil will respond to the expectations will be realized.

This Fall there will be a large immigration from the East, and there will be many visitors at the carnival. It will also be arranged to have the Fair advertised in Portland, and this will draw big crowds.

The Forest Grove-Hillsboro local in the morning will make the Fourth Street run, and also late in the afternoon will follow its present custom. The two intermediate trains, however, of this local, will run into and out of Jefferson Street, while the Sheridan express will also go into and out of the Jefferson Street depot. The question of change of time has not yet been sent out, and the schedule may remain the same.

# ASSEMBLY CLANS HERE SATURDAY

PRECINCT MEETINGS VERY SMALL

Over 150 Delegates Expected to Participate in Meeting

The Republican clans, who are in favor of the assembly and say they are to send a delegation to the state convention, will convene in this city Saturday, July 16, and Chairman J. W. Connell expects that over 150 delegates will be in attendance. The result of the precinct assembly elections have not been turned in to Mr. Connell, as in olden times, and he states that owing to the busy season some precincts held no meetings.

In Hillsboro there was not a very large crowd at either of the precinct sessions.

The result of Saturday's meeting is of considerable interest just now because of the possibility of the convention endorsing Hon. Jas. Withycombe for governor.

He thinks that Jeffries' friends took the short end of the betting all the way along and while it can not be proven, he is satisfied that the purse money received by the white man was not all that he was given. C. F. says Reno is a great place, and that passenger trains came in at the rate of one every 15 minutes Sunday, Sunday night and Monday forenoon, before the fight.

The boys state that they were very well pleased with Washington County and the prospects for a splendid crop, and that nothing excelling the outlook in this section is to be found anywhere in the Northwest.
