County Convention Notice

The Socialist party of the county of Washington is called to meet in county convention at Garden Home, on the 31st day of July and 1st day of August, 1910, for the purpose of nominating a county ticket for Washington County, and electing delegates to the state convention which is held in Portland on the 7th and 8th days of August, 1910.

C. W. Barzee, State Chairman of the Socialist Party of Oregon.

Prof. Mary Farnham, of Forest Grove, who is one of the joint committee for Oregon on educational lines, working under the National Educational Association, was one who advocated better ventilation in school rooms; better light, coming largely from the left and rear; and better protection from stoves used for heating. The committee met at Salem last week. Their criticisms on many school houses in Oregon is very just. It seems almost absurd, when so much money is spent on the school system in the state that there are not better school buildings and more comforts in the school rooms. Another recommendation was for individual drinking cups.

Groceries at cost—White River flour, \$1.45; A. & H. soda, 5c; best corn starch, 5c; 50 lb. dairy salt, 35c; 50 lb. H. G. salt, 25c; Blue Ribbon corn, 8c; Blue Ribbon tomatoes, 8c. All other articles in proportion. H. Wehrung & Sons.

Leonard Tompkins will this Summer round out shipments of from seven to eight thousand telegraph and telephone poles from Washington County into Idaho and Utah. He is now shipping cedar poles from this point, but the most of his cutting is from fir, Wapato and Gales afford his largest shipments. The poles are costing him a minimum of about 7 cents per lineal foot, and this makes them run into big money.

Sewell's Acres—Acreage in five, ten or twenty acre tracts. One mile north of Sewell station on Oregon Electric. See owner. No agents. Prices reasonable and terms to suit. Jas. H. Sewell.

Captain G. H. Knaggs, one of the early steamboat captains on the Columbia river, plying on the Washington side, and now at the Portland Customs House, was out to the city Tuesday. The Captain is a pioneer of 1862, and remembers all the early river days to a nicety. Although 80 years of age he still walks with a springy step and his eye could still see a skiff down-river for five miles. He tells the Argus that Hon. H. W. Scott is a very sick man these days.

I have money to loan on good real estate security. Also can find you a buyer for your farm or business. Call and see me at the confectionery store, opposite Oregon Electric depot, Hillsboro, Ore.—O. M. Pope.

Observation at the Oregon Electric depot shows that over three-fourths of the travel on that line is from Hillsboro passengers, going and coming. When the car empties here, after coming out from Portland it frequently leaves but three or four passengers aboard.

Drs. W. M. Pollock, C. H. Pollock, Forest Grove, and Dr. Dabois, Portland, and R. Rowley, went out on the P. R. & N., yesterday morning, to spend two weeks in the mountains and valleys over in the Nehalem. They expect to fish until the deer season opens and then land some venison.

For Sale: Fresh registered Jersey cow. Has made 400 lbs. of butter in one year. Now fresh, with twin calves.—E. E. Watts, Hillsboro, Oregon, ranch near Farmington, Oregon, river road. 20-22

Geo. Blesdorf, of North Plains, says that his hops are looking very fine, although the dry weather is cutting down the promise of production. The lice, however, are not numerous, one of the benefits of a dry season.

Go to T. W. Wyatt & Co. for the newest and latest styles of negligee and soft shirts for Summer wear.

P. I. Lilligard and wife were over from near Laurel, yesterday. Mr. Lilligard says that his hops are looking fairly well, but a good shower is badly needed. He says that the continued dry weather has dried up some of the leaves, and they are turning yellow.

Go to T. W. Wyatt & Co., where they carry the Packard shoe the best on earth for the money.

Sheriff Geo. G. Hancock has announced in this week's issue of the Argus, and asks the consideration of the general public. He thinks he is entitled to another try at the office, and as there seems to be no opposition he will doubtless have a walk-over.

Born, in Hillsboro, July 25, 1910, to Thos. Rood and wife, a son. The little fellow is a grandson of Judge L. A. Rood and wife, and his papa is the popular brakeman on the P. R. & N. between here and Buxton.

Mrs. Isaacs Leisy, of Woodlawn, is out this week, the guest of the Hathorns and Leisys, of South Tualatin, and Mrs. Dwight Pomeroy, of near Leisyville.

J. F. Saunders and wife, of near Bethany, were in the city yesterday. Mr. Saunders is one of the poultry prize winners of the state.

PETITION OUT FOR COUNTY HIGH SCHOOL

Requires 10 Per Cent. of the Voters to Get it on Ballot

WOULD MEAN A BETTER SYSTEM

Citizens Generally Are Signing the Instrument

B. W. Barnes has been circulating a petition to get the matter of county high schools on the ballot at the coming election and citizens are universally signing the instrument. Hillsboro, Forest Grove, Cornelius, and Beaverton, and perhaps Sherwood and Tualatin, are very much interested in the measure. Washington County the last school year had over 200 Eighth Grade graduates, and only in a few schools are there higher courses. If the county votes to establish high schools it is probable that but three or four will be held. These, naturally, will be at central points, where transportation will be easy. The county judge and commissioners, the county treasurer and the county school superintendent constitute the board.

If the vote shall be yes this Fall it will mean a great saving to those who are sending their children away for higher education, as, under the high school system only the best of instructors can get positions. Supt. Case states that only graduates of the State Normal, of collegiate and university grades, can be employed, except that teachers holding state diplomas or state certificates.

The tax for the maintaining of the high school fund will be levied and collected in a fund by itself, and will not amount to a very large sum.

Mr. Barnes says there will be no trouble whatever in getting the necessary number of signatures to get the question on the ballot.

Announcement of Geo. G. Hancock To the voters of Washington County, Oregon:— I hereby announce myself as a candidate for the office of Sheriff of Washington County, subject to the endorsement of the primary election, to be held on September 24th, 1910.

If I am nominated and elected I will during my term of office, faithfully and impartially discharge the duties thereof, and give to the people of this County an efficient and at the same time an economical administration.

I further state that I will give the business of that office my personal attention, with courtesy and fair treatment to all. GEO. G. HANCOCK.

General Manager Lytle Says Survey is Spotted With Laborers

General Manager C. E. Lytle, who left last evening for the Nehalem for a tour of inspection and a recreation trip as well, stated, before he started, that he now believed the grade would be completed by December 1, and at the latest, by the first of the year. Men are getting very plentiful now, notwithstanding it is harvest, and he says that there are now in the neighborhood of fifteen hundred laborers working on the grades and in the numerous tunnels.

The survey is covered with work and the tunnels will be the last to be finished. Track will be laid on both ends as far as the grade is completed and it will be a matter of but a few days when the rails will follow the closing of the gap this Fall.

Contractor Sweeney had a big undertaking before him when he started his contract about a year ago, but he is making good all along the line. Next Summer we can all go over to the Tillamook beaches and enjoy our vacations—and it will not take an entire day to make the trip.

Mrs. Norman Greer (By Mrs. Imogene Bath) Death visited the home of Norman Greer, in this city, at 3:00 o'clock Thursday morning, July 28, 1910, bringing sadness to the hearts of a devoted husband, kind and loving parents, a brother, and a large circle of friends. The announcement of the birth of a fine baby boy Wednesday afternoon was a pleasure to all their friends, but the happiness was not to be shared by the young mother, who sank into unconsciousness early last evening, death following at three o'clock—a sad ending to the happy anticipations of motherhood. The announcement came as a shock to her hundreds of friends in Hillsboro, where Mrs. Greer was loved and respected by all.

Grace Irma Ballard, daughter of Mr. and Mrs. Frank C. Ballard, was born in York, Nebraska, April 15, 1888, and in early childhood moved to North Platte, in that state. In July, 1903, the family came to Hillsboro, where she grew to womanhood. She united in marriage with Norman Greer, son of Hon. R. H. Greer and wife, in this city, February 21, 1909, Rev. L. F. Belknap, former pastor of the M. E. church officiating. The funeral will be held Friday afternoon at 2 o'clock, at the Methodist Church, Rev. Belknap officiating, assisted by Rev. Fisher. Sughrue has a badly formed head and doubtless congenital condition, according to the report of Dr. J. P. Tamiesie, the examining physician. Sughrue says that he does not know where he hails from, but that he has "been to H—ll, and it is a good place, and I'm going back."

Attention, Telephone Subscribers—We are desirous of giving you the best possible service. In Hillsboro we have two switch boards—one called the "City," and the other, "West." In giving the number of the call you wish, you will materially aid the operator, if you will give the word which precedes the number. For instance, where the number is "City 323," give the word with the number. This at once gets the operator on the "City" switch board. Where the number reads, "West 325," you call, "West 325," and this will help us to give you your party without confusion.—Washington County Tel. Co. 20
