GRESHAM GIANTS HERE AUGUST 21

Cardinals Will Have to Play Ball for all That is in Them

TEAM TO COME RE-INFORCED

Old Cardinal Line-up Will Contend With the Visitors

Baseball fans in this section are in raptures over the meeting to be held at Athletic Park, Sunday, August 21, when the Cardinals will go up against the crack Gresham nine. The Gresham Giants, as they are named—and the appellation is no misnomer—have beaten nearly every amateur team in Multnomah county, and have also taken the scalps of many valley amateur teams that had a record.

They were beaten, however, a few weeks ago, with Nick Williams, the Cardinal pitcher in the box, re-inforced with Briggs, and Brown, of the local team.

The management expects to have the regular Cardinal line-up to confront the Gresham players and a great game is warranted in belief, anyway.

If lovers of the national game want to see an interesting exhibition of baseball here is their chance. It is expected that the Giants will come with many of the Tri-city league players and they say they will bring with them a big crowd of Multnomah fans.

We, his children, are so very grateful.

OPEN GRANGE

There will be an open meeting of the Hillsboro Grange, at Grange Hall, on Saturday, August 13, at 1:30 in the afternoon. The public is cordially invited to attend these open meetings and will be accorded a hearty welcome.

Thos. Hinton, who returned a few days ago from a trip into the Alberta section, says it is a great stock country and that men of means will do well up there. The grain crop, however, this year, in the section he visited, is not very much, and many hundreds of acres will not be cut. Last year, however, in the same district, he says there was a bumper crop. Old Washington County is good enough for Hinton—so he says.
