### STEALS LIVERY TEAM

A stranger called at the Hagey livery barn, Sherwood, last Friday evening, and called for a team, stating that he wanted to go to the Crabtree hopyard. He was given the team and that was the last seen of man or animals. Mr. Hagey came up Monday morning and placed the matter in the hands of Sheriff Hancock. It is thought that the thief might be one of the bunch that held up an auto at Park Place, below Oregon City, the day before the team was hired. Sheriff Hancock at once had notices sent out offering a reward of \$25 for the return of the team, and \$25 for the arrest and conviction of the party.

The team was a sorrel horse and a mouse colored horse, the latter branded P. K. The man is described as follows: Sandy complexion, light brown hair; 5 feet nine inches; weight 150; dark coat, black hat; evidently about 25 years of age.

It is thought by many that this is the party who has been making a business of horse stealing in Multnomah and Washington counties.

We are now better than ever prepared to supply our customers. We have a good supply of flooring, rustic, shiplap and finishing lumber and can furnish good house bills on short notice. We also have a good stock of all kinds of common lumber. We have in stock all sizes of tile from 3 to 16 inch that are first quality; also brick and building blocks. Try our building blocks for your fruit or potato house, or foundation for your buildings—better and cheaper than brick or concrete. Parties wanting orders delivered will do well to place them early, while the roads are good, and our teams are not too busy. In the past we find that it is the falling of many people to wait till the roads are almost impassable, and then place their orders for delivery, at a cost of twice what it can be done for now. So don't forget, this year, while our stock is complete.

### For County Judge

To the Republican voters of Washington County. The undersigned is a candidate before the Republican primaries, Sept. 24, 1910, for the party nomination for County Judge of Washington County, Oregon.

If I am nominated and elected, I will, during my term of office, conscientiously and impartially perform the duties appertaining to the office, and will use my best efforts to give the people of Washington County a progressive, business-like and economical administration of county affairs. I favor the building of permanent rock roads, a uniform system of road building, and getting permanent returns for public money expended—and I will earnestly work to that end.

I desire to have placed on the ballot, after my name, the following: "Businesslike administration; Permanent Roads; and full value for every cent expended."

G. W. Marsh, Cornelius, Oregon.
