PIONEER WM. TUCKER DIES AT BEAVERTON

Came to the Coast in 1852. From Indiana

BROTHER OF UNCLE THOS. TUCKER In the Indian Wars of Very Early Days

Beaverton, Or., Nov. 11.—(Special.)—William Tucker, a pioneer of 1852 and a veteran of the Indian Wars, died here Tuesday. He came to Oregon from Indiana with his parents, and his first work was cutting cordwood in what is now the business district of Portland. He took a claim of 120 acres in this county the same year and with his brother built the first sawmill in this section.

He furnished his own horse in the Indian campaign and was compelled to kill him and share him with his comrades as food to prevent starvation. He received recognition as a brave and uncompromising soldier. He sold his claim in 1859 and bought the place near here on which he lived till his death. He was a pioneer Mason. He raised potatoes in Washington County at a time when they were sold for 15 cents a pound. Mr. Tucker is survived by his widow, who is the daughter of Abraham Landress, a pioneer of 1847, and by the following children: Mrs. George W. Teftt, Thos. Tucker, of Eastern Oregon; George Tucker, Warrenton, Or.; Mrs. Henry Woolf, Dilley, Or.; Mrs. Wm. Anderson, Mrs. J. H. Anderson, Ira Tucker, Coos County; Wm. Tucker, Beaverton; Mrs. Wm. Barkdoll, Coos County, and Carl Tucker, Beaverton.

Mr. Tucker was a brother of Thomas Tucker, formerly of Hillsboro, now of Portland.

A RELIC OF OLDEN DAYS

A relic of olden days was brought to mind the last of the week by a record in the clerk's office. When Thos. D. Humphreys was county judge the following order, made and dated December 3, 1872, is found on the county court docket: "It is ordered by the court that the county treasurer be and is hereby authorized to sell all legal tender currency now in the treasury and that may hereafter be paid into the treasury in the county fund until the further order of this court at 90 cents on the dollar." Sounds like greenback days.

We are now better than ever prepared to supply our customers. We have a good supply of flooring, rustic shiplap and finishing lumber and can furnish good house bills on short notice. We also have a good stock of all kinds of common lumber. We have in stock all sizes of tile from 3 to 16 inch that are first quality; also brick and building blocks. Try our building blocks for your fruit or potato house, or foundation for your buildings—better and cheaper than brick or concrete. Parties wanting orders delivered will do well to place them early, while the roads are good, and our teams are not too busy. In the past we find that it is the failing of many people to wait till the roads are almost impassable, and then place their orders for delivery, at a cost of twice what it can be done for now. So don't forget, this year, while our stock is complete, Groner & Rowell Company.

A laborer just going to work for the Sweeney Construction Company, over on the Nehalem, just in Tillamook county, while crossing the Salmonberry, one day last week, lost his footing and went down between a lot of drift. He was carrying his blankets at the time, and this impeded his progress in crossing. He came to the surface but once and then disappeared. The Salmonberry was flooded, owing to the heavy rains. Coroner Brown was notified, but informed his informants that the place was in Tillamook county, and that it was necessary to call the coroner from that place.

WEST IS ELECTED BY BIG MAJORITY

J. W. Sewell Gets 189 Majority County Judge

GRONER LOSES BY EIGHTEEN VOTES

Legislative Ticket, Assembly Wins out by Small Plurality

Oswald West, democrat, won out for Governor of Oregon, over Jay Bowerman, the assembly-republican nominee, by about 6,000 votes. West lost this county by 259 votes, although Hawley carried it by one less than a thousand. The two Hillsboro and South Forest Grove, with Beaverton precinct, practically gave Bowerman his county majority. Where the German and Swiss vote was strong West seemed to run very well.

John W. Sewell's majority over J. W. Goodin, for county judge, fell a little under 200 to be exact, was 189. This was one of the peculiar fights of the campaign. Each side claimed the election up to the hour of the last few precincts being received. Sewell carried South Hillsboro and lost North Hillsboro, while Washington and Columbia both went against Mr. Goodin.

The legislative tickets were very close between the two highest on the Independent and Republican two lowest. Ferd Groner lost by 18 votes, to Tigard. Early Saturday morning, when it was thought Groner was but 6 behind, it was found South Tualatin gave him 10 more of a gain—but on final casting it was discovered that there was an error in adding on the unofficial vote, which nosed Groner out by 18. Groner ran heavily where he was well known.

Dan Burkhalter, while losing to Nyberg, made a splendid run in the sections where he was known and it was a fine vote of confidence. The campaign was a quiet one in all respects and there is probably less bitterness involved than for years.

County Clerk Bailey, assisted by Judges C. E. Kindt and J. H. Wirtz, Friday completed the official county vote with results as follows: Representatives in Congress—Elmore, 387; Hawley, 2083; Sherman, 222; Smith, 1085.

"The Silver Age" is what they call it in the jewelry world. Gift goods in silver this season exceed all other kinds in number and variety, and out rival them in beauty.

I am showing a new line, especially bought for the Thanksgiving and fall trade, which surpasses any that I have ever handled. The patterns are rich, rare and artistic, while the price is right.
